## **ARTICLE II**

### **PARTICIPATION**

#### **2.01 ELIGIBILITY FOR PARTICIPATION**

An Employee will be eligible to participate as of his/her first (1<sup>st</sup>) day of employment as a Regular Full-time or Regular Part-time Employee.

If an Employee is not actively at work on the day or during the period the Employee would ordinarily become covered by the Plan, the Employee's coverage will not become effective until the Employee reports to active work and the Employee elects the coverage in a method deemed appropriate by the Plan Administrator within thirty (30) days of returning to work.

#### **2.02 ELECTION TO PARTICIPATE/NOT PARTICIPATE**

Participation in the Plan on the part of each Employee is voluntary. Employees elect to accept coverage in writing by completing the appropriate information in a method deemed appropriate by the Plan Administrator. For enrollment-related questions, the Employee may contact HR Employee Services at 855-553-4367, option 3 or via email at [ASKHR@leidos.com](mailto:ASKHR@leidos.com) within thirty (30) days of hire or within thirty (30) days of experiencing a corresponding qualified family change as detailed by IRS code.

Any Employee who is actively at work, and has elected not to participate in the Plan or who has withdrawn from the Plan and who subsequently elects to be covered by the Plan may do so during the Company's scheduled Open Enrollment. Coverage in this case will become effective on the date designated in the Open Enrollment literature if the employee is actively at work. If not actively at work, this benefit will take effect upon return to active status and meeting the eligibility requirements.

#### **2.03 CESSATION OF PARTICIPATION**

Participant will cease to participate in the Plan upon the earliest of the following dates: The date on which the Employee ceases to meet Plan eligibility period (e.g. Participant dis-enrolls during open enrollment);

- A. The end date of the pay period on which the Participant ceases to be an eligible Employee.
- B. On the end date of the pay period which marks the termination of employment by termination of the Employer-Employee relationship; or at the end of the pay period in which an approved leave of absence without pay commences, except as required by law, or at 12:00 midnight when a protected leave ends if the participant fails to return to work, whichever is later.

- C. The date upon which this Plan terminates; provided, however, that such Plan termination will be without prejudice to benefits payable for Disabilities commencing prior thereto;
- D. On the date the Employee notifies the employer that he/she has experienced a corresponding qualified status event as defined by the IRS.
- E. On the date the Participant fails to pay the required contribution.
- F. On the date that the Participant first submits a fraudulent claim.
- G. On the end date of the pay period in which a strike occurs.

## **ARTICLE III**

### **DISABILITY BENEFIT**

#### **3.01 ELIMINATION PERIOD**

- A.** A Participant who sustains a Disability within the meaning of Article III Section 3.02 will, subject to the provisions of the Plan, become eligible to receive the benefit described in Article III Section 3.04.

1. Benefits will commence on the earlier of: the eighth (8<sup>th</sup>) day of Disability; or the first (1<sup>st</sup>) day of Hospital Confinement.

Based on the Participant's Disability, if it should be medically necessary for the participant to reduce his or her hours by 25% (minimum two hours for an eight hour workday) or more, but not cease work entirely, the reduced workday will be applied to serve the waiting period consecutively for seven calendar days.

- B.** Recurring Disabilities of two (2) or more intervals of Disability, due to the same cause or condition, separated by less than thirty one (31) days of continuous active work with the Company will be considered the same Disability. A new Elimination Period will not be required. However, should the Participant go out on an approved Disability related to the initial claim within 31 days, the period of time worked will count against the total leave duration for the initial claim. For example, if a Participant is on approved Disability for eight weeks, returns to work for two weeks, and then takes Disability leave again for the same issue within 31 days, the Participant is considered to have been disabled for a total of ten weeks. Therefore, Disability benefits will reflect the benefits level payable for that week. In this example, benefits payable for week eleven, will decrease to 80% of wages.

For purposes of calculating the Claimant's amount of benefits under the Plan, Regular Wages as of the date of the original onset of Disability will be used:

1. If the Disability is due to an illness or injury found by the Plan Administrator to be entirely unrelated to the cause or condition of the previous Disability and the Disability commences after return to active work with the Company for at least one (1) day at the Participant's normal work schedule, the two (2) intervals of Disability will be considered as separate Disabilities for the purpose of calculating Plan benefits, and a new Elimination Period will be required.
2. Two (2) or more intervals of Disability due to separate and unrelated causes, which occur concurrently or overlap, will require only one (1) Elimination Period.
3. For each day of any period of Disability for which benefits are paid and which is less than a full week, the amount of benefits payable will be one-fifth (1/5<sup>th</sup>) of the amount of weekly benefit.

#### **3.02 DISABILITY DEFINED**

*“Disability”* means any physical or mental condition arising out of illness, pregnancy or injury, which renders the Participant continuously unable to perform the material duties pertaining to his/her regular and customary occupation. During such time the Participant must be under the regular and continuous care of a licensed Physician. However, a Participant will not be considered disabled if the Employer can provide alternative employment that is within the capabilities of the Participant and that has status and compensation comparable to the Participant’s regular occupation, as determined solely by the Employer.

The Plan Administrator will in its sole discretion make a determination as to whether a Disability exists with respect to the Participant on the basis of Objective Medical Evidence and any other relevant evidence.

### **3.03 LIMITATIONS AND EXCLUSIONS**

**A. No Participant will be entitled to a Disability benefit for any Disability that arises out of, relates to, is caused by, or results from:**

A Disability, which is not supported by a certificate from a licensed treating Physician, which contains a diagnosis and diagnostic code prescribed in the International Classification of Diseases, or where no diagnosis has yet been obtained, a detailed statement of symptoms. The certificate must also contain a statement of medical facts, including secondary diagnoses when applicable, within the Physician’s knowledge based on a physical examination and a documented medical history. The Physician must indicate his/her conclusion as to the existence of a Disability and provide a statement of his/her opinion as to the expected duration of the Disability;

**B. OTHER EXCLUSIONS FOR WHICH BENEFITS ARE LIMITED OR NOT PAYABLE:**

1. The Participant is confined, pursuant to commitment or court order, or certification, in an institution, or other place, as a dipsomaniac, drug addict, or sexual psychopath.
2. For any period of Disability for which benefits are paid or payable under any Unemployment Compensation Act of the United States or of any state.
3. For any day for which the Participant receives compensation from Leidos (excluding Paid Time Off), except that such benefits will be paid for any seven (7) day week or partial week, in an amount not to exceed his/her maximum weekly amount provided by this Plan, which together with compensation received, does not exceed his/her weekly compensation immediately prior to the commencement of the Participant’s Disability.
4. An illness or injury caused by committing a violent act, assault, felony or an illegal activity or occupation.
5. An intentionally self-inflicted injury while sane or insane.
6. An illness or injury due to any act of war, declared or undeclared, or insurrection, except while traveling overseas on Company business.

7. An illness or injury was incurred as result of service in the armed forces, except as required by law.
8. An illness or injury for which the Participant is not under the continuous care and treatment of a duly qualified licensed Physician.
9. If the Participant has willfully, for the purpose of obtaining benefits, either made a false statement or representation, with actual knowledge of the falsity thereof, or withheld a material fact, in order to obtain any benefits under this Plan.
10. Unless and until the Claims Administrator has received Objective Medical Evidence in support of Disability. Such Objective Medical Evidence includes, but is not limited to, data and records from the attending Physician, narrative reports, x-rays and other laboratory findings and consulting physicians' reports. This information is required at the initiation of the claim and periodically thereafter, as reasonably requested by the Claims Administrator.
11. The participant was not receiving care or following the prescribed treatment plan that is:
  - From a health care provider whose training and clinical experience are suitable for treating the disease, illness, incapacity or injury
  - Consistent in type, frequency and duration of treatment with relevant guidelines of national medical, research, and health coverage organizations and governmental agencies
  - Consistent with the diagnosis of the condition
  - For the purpose of maximizing medical improvement
12. For any day the Participant a) is incarcerated, in any federal, state or municipal penal institution, jail, medical facility, public or private hospital, or in any other place because of a criminal conviction of a federal, state or municipal law or ordinance, or b) who commits a crime and is disabled due to an illness or injury, caused by, or arising out of the commission of, arrest, investigation, or prosecution of any crime that results in a conviction.

13. An illness or injury which was incurred while the Participant was on full time or part time long term disability.
14. An illness or injury which was incurred while the Employee was on unauthorized absence, or was not an Employee.
15. An illness or injury which was incurred as a result of service in any armed force, except as required by law.
16. For any Period of Disability the Participant records uncompensated time, overtime, bereavement, jury duty, voting, or holiday on his or her timecard.

### 3.04 AMOUNT OF PLAN BENEFITS

For each business day of any period of Disability for which benefits are paid and which is less than a full week, the amount of benefits payable will be one-fifth (1/5<sup>th</sup>) of the amount of weekly benefit.

For the first (1<sup>st</sup>) twenty-six (26) weeks of Disability (which includes the seven (7) day waiting period if applicable), but not to exceed 180 days, the amount of weekly benefit which an eligible Claimant is entitled to receive under the Plan, a maximum weekly benefit of eighty percent (80%) **(not to exceed \$4808)** of the Maximum Benefits defined as follows:

If hospitalized as defined, the Participant will receive:

- For weeks one (1) through nine (9) of Disability, Maximum Benefits, means one-hundred percent (100%) of regular Compensation **(up to a maximum weekly benefit of \$4808).**
- For weeks ten (10) through eighteen (18) of Disability, Maximum Benefits means eighty percent (80%) of regular Compensation **(up to a maximum weekly benefit of \$3846).**
- For weeks nineteen (19) through twenty-six (26) weeks of Disability, Maximum Benefits means sixty-six and two-thirds percent (66 2/3%) of regular Compensation, not to exceed 180 days **(up to a maximum weekly benefit of \$3202).**

If not hospitalized as defined, the Participant will receive:

- For week one, no benefits payable due to the seven (7) day waiting period
- For weeks two (2) through ten (10) of Disability, Maximum Benefits, means one-hundred percent (100%) of regular Compensation **(up to a maximum weekly benefit of \$4808).**
- For weeks eleven (11) through nineteen (19) of Disability, Maximum Benefits means eighty percent (80%) of regular Compensation **(up to a maximum weekly benefit of \$3846).**
- For weeks twenty (20) through twenty-six (26) weeks of Disability, Maximum Benefits means sixty-six and two-thirds percent (66 2/3%) of regular

Compensation, not to exceed 180 days (**up to a maximum weekly benefit of \$3202**).

**Home Confinement** – Illnesses that involve home confinement and that have been certified by a physician or other health care provider qualify employees for disability benefits as of the 8<sup>th</sup> calendar day, based on approval from the claims administrator.

**Participants on Rotation** - A participant on a rotational work schedule (e.g. 90 days on/ 90 days off) who has a qualifying disability, will be paid disability benefits even if the disability falls on a period the participant is scheduled to be off.

#### **A. Reduction of Benefits**

Such benefits under this Plan will be reduced by the amount of any of the following benefits (converted to comparable weekly or daily equivalents, as appropriate) which the Plan Administrator determines are available to the Participant, (whether or not such benefits are applied for or received) for the same period of Disability for which benefits are payable hereunder:

1. Any Federal Social Security or Supplemental Security Income for which the Participant is eligible because of the Participant's Disability or retirement under Social Security (Old Age, Survivors, Disability and Health Insurance) [OASDHI] of the United States. However, if the receipt of Social Security retirement benefits commenced prior to the Participant's Disability, such benefits will not be offset. For purposes of computing this offset, any statutory cost of living increases awarded after the initial Social Security Award date will not be used. However, if the initial award is subsequently adjusted to give credit for additional earnings or for any other reason, other than a statutory cost of living increase, the new award will be offset.
2. Workers' Compensation benefits (temporary total disability and/or total disability benefits, and permanent disability benefits), including single sum awards or settlements. Single sum awards and/or settlements will not include approved medical expenses and attorney fees which were incurred prior to the award.
3. Benefits will be reduced by disability benefits payable from any state disability plan, e.g., California, New Jersey, New York, Rhode Island or Hawaii, whether applied for or not or any Company Plan established in lieu thereof. Disability benefits may also be offset by medical leave benefits for employee's own serious health condition payable under any federal or state law.
4. Pursuant to the procedures outlined in Section 4.05, the amount of any award or settlement the Participant receives, directly or indirectly, from a third party if the Participant's Disability is the result of the acts or omissions of such third party.
5. Any Employer sponsored program, which provides for a periodic Disability benefit or a lump sum Disability payout except that only the portion of these

benefits attributable to contributions made by the Employer will be integrated with the Plan benefits.

6. Any salary (excluding vacation), income or sick pay from any employer or from self-employment.
7. Some portion of income or wages earned during rehabilitation employment.
8. Retirement benefits, paid or due from a LEIDOS sponsored Pension Plan or Savings Plan offset net disability dollar for dollar paid during the disability. Any plan, fund or other arrangement, by whatever name called, providing disability benefits pursuant to any Compulsory Benefit Act or law of any government.

Any government retirement or disability plan that is initiated or increased as a result of a Participant's Disability.

#### **B. Recovery of Overpayment**

In the event that an overpayment exists because the Participant's Plan benefits were not sufficiently reduced by any of the above mentioned reductions at the time they were paid, the Plan Administrator will recalculate the claim and inform the Participant of its findings. Any overpayment will become payable by the Participant, immediately upon request or subtracted from future Plan benefits.

#### **C. Benefit Integration**

In the event that a Participant either fails to apply for, elects to defer, or fails to request any of the benefits set forth in Paragraphs one (1) through eight (8) of Section 3.04A the Plan Administrator will consider, for the purpose of determining the reduction in payments under this Plan, the benefit that the Plan Administrator determines at its sole discretion, would have been paid had the Participant made application for, and received such benefits on the earliest date he/she was eligible.

If the Participant provides the Claims Administrator with written evidence that applications have been made for any benefits to which he/she may be entitled, the Claims Administrator will have the option of paying the Participant the full Plan benefits while awaiting receipt of other benefit payments if the Participant signs a promise to repay the Plan the appropriate integratable amount. Failure to sign the promise to repay will result in a delay in the payment of all or some of the benefits under this Plan.

### **3.05 COMMENCEMENT AND DURATION OF PLAN BENEFITS**

Plan benefits will be payable as of the first (1<sup>st</sup>) day that a Participant applies and becomes eligible therefore, and thereafter will be payable so long as such eligibility continues.

Eligibility for benefits will commence on the earlier of: the eighth (8<sup>th</sup>) day of Disability; or the first (1<sup>st</sup>) day of Disability if the Claimant is subject to Hospital Confinement.

A Participant's Plan benefit payments will cease on the earliest of the following events:

- A.** The date following twenty-six (26) weeks of Disability benefit payments to the maximum of 180 days of Disability including the elimination period if applicable.
- B.** The death of the Participant.
- C.** A determination by the Plan Administrator that the Participant's Disability no longer exists based on Objective Medical Evidence provided by the Claimant's Physician or the findings of an Independent Medical Examination or other appropriate evidence.
- D.** A failure by the Participant to cooperate in any examination by one (1) or more Physicians or vocational specialists of the Plan Administrator's choice within thirty (30) days following a written request by the Plan Administrator unless doing so would jeopardize the patient's health.
- E.** A refusal by the Participant to provide information requested in writing by the Plan Administrator for the purpose of determining whether the Participant is entitled to benefits under the Plan; failure to provide such information within thirty (30) days following such request will be considered to constitute a refusal.
- F.** The date the Participant is no longer under the regular and continuous care of a licensed Physician, or refuses to follow or rejects the treatment plan recommended by his/her attending Physician, unless the Participant disputes such treatment on the advice of another Physician. "Regular Care" means a planned program of observation and treatment by a licensed Physician, as required by applicable medical standards.

If the Participant's Disability started prior to termination of employment, benefit payments will continue to be paid up to the maximum duration approved under the Plan.

For collectively-bargained Participants, Disability benefits will continue to be paid if a strike occurs and the Disability started prior to the strike. Benefits will be paid up to the maximum duration approved under the Plan.

## **ARTICLE IV**

Failure to cooperate with the Plan Administrator in a reasonable investigation or processing of a claim may result in benefits being denied, or terminated.

## **ARTICLE VI**

### **ADMINISTRATION OF PLAN**

#### **6.01 APPOINTMENT OF PLAN ADMINISTRATOR**

The President or Chief Operations Officer will appoint a Plan Administrator which may be the Company or any employee of the Company or such other person or Entity as the Company's President or Chief Operations Officer may select.

Plan Administrator, is defined in the Employee Retirement Income Security Act of 1974 (ERISA), and is the named fiduciary with respect to control over and management of the operation and administration of the Plan. Any insurance carrier or other entity issuing an administrative services contract will be solely responsible with respect to the matters for which it is made responsible under such administrative services contract and the extent required by ERISA.

#### **6.02 DUTIES OF PLAN ADMINISTRATOR**

The Plan Administrator, will have sole and exclusive power and discretionary authority to construe the terms of the Plan, including any ambiguous terms, and to determine eligibility for benefits and to interpret and apply the Plan, to decide all issues of fact arising thereunder, and to make such rules, benefit computations, and eligibility determinations and take such other actions in administering the Plan as it deems appropriate. The interpretations, applications, decisions, rules, benefit computations, eligibility determinations, and other actions of the Plan Administrator will be final, binding, and conclusive on all persons and will be subject to review only if shown to be arbitrary, capricious, contrary to law, or contrary to the terms of the Plan. In administering the Plan, the Plan Administrator will at all times discharge its duties in accordance with the standards set forth in Section 404(a)(1) of ERISA.

The Administrator will have such power and perform such duties as are necessary for the proper operation of the Plan. This will include, from time-to-time, designating representatives who will carry out the delegated responsibilities on behalf of the Plan Administrator. Contemplated designees include but are not limited to a Claims Administrator. All such designees will serve at the pleasure of the Administrator and, if employees, will serve without additional compensation.

### **6.03 PERFORMANCE OF DUTIES AND RESPONSIBILITIES**

The Company will carry out its duties and responsibilities under the Plan through its directors, officers, and Employees acting on behalf of and in the name of the Company in their capacities as directors, officers, and Employees, and not as individual fiduciaries. The Company may engage such attorneys, actuaries, accountants, consultants or other persons to render advice or to perform services with regard to any of its responsibilities under the Plan as it will determine to be necessary or appropriate. The Company may designate by written instrument (signed by both parties) one or more actuaries, accountants or consultants as fiduciaries to carry out, where appropriate, fiduciary responsibilities of the Company. The Company may rely on the actions of the Claims Administrator or the written opinion or advice of counsel or any actuary prudently retained by the Company. The Company will not allocate nor delegate to any other person any of its duties and responsibilities under the Plan. Except as provided in Section 6.05 Claims Appeal Procedures, the Company is specifically prohibited from designating any director, officer or Employee of the Company as a fiduciary and from allocating or delegating to any such person any of the fiduciary responsibilities of the Company.

Any person or group of persons may serve in more than one fiduciary capacity with respect to the Plan.

### **6.04 TIME LIMIT FOR APPLICATION OF BENEFITS**

A Participant who submits a claim for Plan benefits will submit such claim, to the Claims Administrator or to such other individuals, as the Plan Administrator will designate in writing. Such claims will be submitted in the manner prescribed by the Plan Administrator and will include the Claimant's statement of his/her disability and a statement by the Physician attending the Claimant for the illness or injury upon which the Claimant's claim for Disability benefits is based. Except for good cause, written notice of claim must be given to the Claims Administrator no later than sixty (60) days after the first (1<sup>st</sup>) day of a Disability.

Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, will a claim be accepted more than twelve (12) months after commencement of Disability. A claim may be submitted by a legally appointed representative of the Participant if the Participant is not reasonably able to do so.

### **6.05 CLAIM DETERMINATION**

An application for benefits will be submitted to the Plan's Claims Administrator. The Participant or the Participant's representative will provide an Employee/Claimant's Statement, an authorization for release of medical information and a Physician's Statement. The Physician's Statement will be from a Physician attending the Participant for the illness or injury, which is the basis of the Disability claim.

Following receipt of a claim by the Plan's Claims Administrator, the Plan will provide the Participant, within a reasonable period of time, but no more than forty-five (45) days, with a written determination of whether the claim qualifies for benefits under the Plan. However, this period of time may be extended as follows: Notwithstanding anything to the contrary just set forth, claims and appeals will be handled in accordance with the U.S. Department of Labor's claims procedure regulations, currently set forth in 29 CFR 2560.503-1 *et seq.*, which are incorporated by reference.

- A. If there are unresolved issues that prevent a decision on the claim, and additional information is needed from the Participant or his/her Physician, the time period is tolled from the date on which the notice of additional information required is sent until the date the Participant responds to the notice. In each instance, the notice to the Participant will specify the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues. The Participant will be given at least forty-five (45) days from receipt of the notice to provide such information.
- B. If matters beyond the control of the Plan require an extension of the time for determination more than forty-five (45) days after receipt by the Plan's Claims Administrator of the claim, written notice indicating the reasons for an extension of up to thirty (30) days will be given to the Participant within the original forty-five (45) day period. The notice will specify the circumstances requiring the extension of time and the date by which the Claims Administrator expects to render a decision.
- C. If an additional thirty (30) day extension is required, the Participant will be notified in writing within the first thirty (30) day extension period.
- D. If it is determined that the Participant is entitled to benefits, the written notice will specify the amount of the benefit payment to be provided under this Plan. The notice will include the method by which the amount of the benefit payment was computed.
- E. If it is determined that a Participant is not entitled to benefits, the written notice will set forth the specific reasons for the determination, specify the Plan provisions upon which the denial was based, describe any additional material or information deemed necessary in order to perfect the claim, and explain why this information or material is necessary. If the Plan Administrator or any representative thereof relied on an internal rule, guideline, protocol or other similar criterion in making the determination, the Plan Administrator or representative will inform the Participant and will offer, at the Participant's request and at no cost, a copy of the rule, guideline, protocol or other similar criterion. This notice also will set forth the Claim Review Procedure described in Section 6.06 of the Plan, and include a notice of the Participant's right to bring a civil action under section 502(a) of ERISA following the review by the Plan Administrator of an adverse benefit determination.

## 6.06 CLAIMS REVIEW PROCEDURES

Notwithstanding anything to the contrary just set forth, claims and appeals will be handled in accordance with the U.S. Department of Labor's claims procedure regulations, currently set forth in 29 CFR 2560.503-1 *et seq.*, which are incorporated by reference. Failure to follow this procedure may not necessarily qualify or validate an otherwise unqualified claim. Participant whose claim has been denied, in whole or in part, may, within one hundred and eighty (180) days after receipt of notice of such denial, make written request for review of the claim to the Plan Administrator. The Participant will have the right to review, on written request, and free of charge, all documents pertinent to his/her claim. The Participant will have the opportunity to submit written comments, documents, records and other information relating to the claim for benefits. The review will take into account all comments, documents, records, and other information the Participant submits, without regard to whether such information was submitted or considered in the initial benefit determination. In connection with the review procedure, the Plan Administrator or its representative will have discretionary authority to interpret the Plan, including any ambiguous provisions, and to determine eligibility for benefits.

The appeal will not defer to the initial adverse determination, and it will be conducted by a fiduciary that is neither the individual who made such initial determination, nor the subordinate of such individual. The appeal of a claim that was denied based on a medical judgment will be reviewed by the Plan Administrator or its representative in consultation with a qualified health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional cannot be an individual who was consulted in connection with the adverse determination that is the subject of the appeal, nor the subordinate of such individual. The Plan Administrator or its representative must identify for the Participant medical or vocational experts whose advice was obtained by it in connection with an adverse determination, without regard to whether the advice was relied upon in making the benefit determination.

The Plan Administrator or its representative will provide the Participant with a written decision. In the case of an adverse benefit determination, the notice will include the specific reasons for the adverse determination, reference to the specific plan provisions on which the determination is based, and a statement that the Participant is entitled to receive, upon request and free of charge, documents, records and other information relevant to the claim for benefits. If the Plan Administrator or the representative relied on an internal rule, guideline, protocol or other similar criterion in making the determination, the Plan Administrator or representative will inform the Participant and will offer, at the Participant's request and free of charge, a copy of the rule, guideline, protocol or similar criterion. The notice will also include the following statement: "You and your Plan may have other voluntary, alternate dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency." This decision will be provided within a reasonable period of time, but no more than forty-five (45) days of receipt of the request for review. If special circumstances require an extension of the time for review, written notice indicating the reason for such extension will be given to the Participant within such forty-five (45)

day period. In case of an extension, the decision will be provided within a reasonable period of time but no more than ninety days after receipt of the request for review.

No action for benefits may be commenced against the Plan Sponsor, Plan Administrator, or designated representative of the Plan prior to the completion of this Claims Review Procedure, except as permitted by law.

#### **6.07 ARBITRATION TO RESOLVE DISPUTES**

In the event of any dispute in any way arising from the Plan that is not resolved in accordance with Section 6.05 and 6.06, the parties will submit to arbitration of any and all claims. This will include claims for benefits under the Plan, suits for personal injury, or any kind of civil action. Neutral arbitration will be in accordance with the Commercial Arbitration Rules as set forth by the American Arbitration Association. The decision reached by the arbitrator (s) will be in writing and will be determinative and will be binding upon all parties to such dispute.

#### **6.08 LIMITATION OF LIABILITY**

The Plan Administrator and any representative thereof will be entitled to rely upon any information from any source assumed in good faith to be correct. Neither the Plan Administrator nor any of its representatives, nor the Company or any officer or other representative of the Company, will be liable because of any act or failure to act on the part of the Plan Administrator or any of its Associates, to any person whomsoever, except that nothing herein will be deemed to relieve any individual from liability for his/her own fraud, bad faith or gross negligence. The Company may acquire such insurance coverage for the Plan Administrator and its representatives as is permitted by law.

## ARTICLE VII

### DURATION AND AMENDMENT OF THE PLAN

**7.01 PERMANENCE OF & RIGHT TO AMEND THE PLAN** The Plan will continue in full force and effect unless terminated, modified, altered, or amended by the Company as provided in this Article.

Although the Company has established the Plan with the bona fide intention and expectation that it will be able to continue the Plan indefinitely, nevertheless, the Company is not, and will not be, under any obligation or liability whatsoever to continue or to maintain the Plan for any given length of time. The Company may, in its sole and absolute discretion, terminate, modify or amend either prospectively or retrospectively the Plan in accordance with its provisions, at any time, without any liability. In the event that the Plan is terminated, the Plan Administrator will continue to pay all benefits due and payable to Participants for Disabilities originating prior to the Plan termination date; the Company will contribute such amounts as may be necessary to assure the continuance of such benefit payments. A Plan amendment will not affect benefits due to any Disability, which Benefits were applied for before the effective date of an amendment.

The Company reserves the right, at any time and from time to time, to modify, alter, or amend, in whole or in part, any or all of the provisions of the Plan; provided, however, that no such modification, alteration or amendment which increases the duties, obligations or liabilities of the Plan Administrator will be made without the consent of the Plan Administrator.

No modification, alteration or amendment will have any retroactive effect so as to deprive any Participant of any benefits then payable. Notwithstanding the foregoing, any modification, alteration, or amendment of the Plan may be made retroactive to the extent necessary for the Plan to comply with any applicable law.

## **ARTICLE VIII**

### **GENERAL PROVISIONS**

#### **8.01 NO LIMITATION OF MANAGEMENT RIGHTS**

Participation in the Plan will not lessen or otherwise affect the responsibility of an Employee to fully perform his/her duties in a satisfactory and efficient manner, nor will it affect the Company's right, which right is hereby expressly reserved, to discipline, discharge (with or without cause or notice), or take any other action with respect to an Employee.

#### **8.02 PARTICIPANT'S RESPONSIBILITY**

Each Participant will be responsible for providing the Administrator with his/her current address. Any notices required or permitted to be given hereunder will be deemed given if directed to such address and mailed by regular United States mail. Neither the Plan Administrator nor the Company will have any obligation or duty to locate a Participant. In the event a Participant becomes entitled to a payment under the Plan and such payment cannot then be made (a) because the current address referred to above is incorrect, (b) because such Participant fails to respond to the notice sent to the current address referred to above, (c) because of conflicting claims to such payment, or (d) because of any other reason, the amount of such payment, if and when made, will be that determined under the provisions of Article III hereof without interest thereon.

#### **8.03 MISSING PERSONS**

If, within one (1) year after any amount becomes payable hereunder to a Participant, the same will not have been claimed, provided due and proper care will have been exercised by the Plan Administrator in attempting to make such payment, the amount thereof will be forfeited, and will cease to be a liability of the Plan.

#### **8.04 GOVERNING LAW**

The Plan and all matters arising thereunder will be governed by ERISA and, to the extent not preempted by ERISA, by the laws of the State of Virginia.

#### **8.05 PAYMENT IN EVENT OF DEATH**

In the event that the final payment of Disability income is payable as the result of the death of a Participant, such payment will be made in the following order of preference: 1.) to the person or persons, if any, designated by such Participant in his/her latest, as of any time of reference, designation of beneficiary under the Company's group life insurance program; 2.) if such Participant left no designated

beneficiary under such group life insurance program who survived him/her, to his/her spouse, if any; and 3.) if such Participant left no designated beneficiary under such group life insurance program, nor a surviving spouse, to the authorized representative of the Participant's estate.

## **ARTICLE IX**

### **ERISA RIGHTS**

As a Participant in the LEIDOS HOLDINGS, INC. Voluntary Short-Term Disability Insurance Plan, you are entitled to certain rights and protections. The Employee Retirement Income Security Act of 1974 (ERISA) provides that all Plan Participants will be entitled to:

#### **9.01 RECEIVE INFORMATION ABOUT YOUR PLAN AND BENEFITS**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure room of the Pension and Welfare Benefit Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (form 5500 Series) and updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

#### **9.02 PRUDENT ACTIONS BY PLAN FIDUCIARIES**

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan Participants and beneficiaries. No one, including your employer, union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

#### **9.03 ENFORCE YOUR RIGHTS**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within thirty (30) days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to one-hundred and ten dollars (\$110) a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits, which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

#### **9.04 ASSISTANCE WITH YOUR QUESTIONS**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory of the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.
