Ask Alex for Benefits Help

ALEX is a virtual benefits counselor that explains your benefit options and helps you choose the plan that's best for you and your family.

ALEX prompts you for some basic information about your personal situation, asks a few questions about how you anticipate using your healthcare (your answers remain anonymous, of course), and helps you figure out what to choose based on your responses.

Before you make your benefit elections in Workday, be sure to spend a few minutes with ALEX at www.myalex.com/leidos/2024 to make sure you're enrolling in a plan that's right for you and your family.

Disclaimer: Alex provides a recommendation based on information that you provide and medical costs based on national averages. The personal information is limited, and the estimated medical costs may not reflect the actual cost of health services in your area. This tool is not meant to calculate the actual medical expenses to be incurred by you and any dependents in 2024. Alex simply provides another data point which may aid you in choosing a plan that meets your needs and that of your enrolled dependents.

Virtual Benefits Forum

Visit the Virtual Benefits Forum (www.leidosvirtualbenefitsforum.com) to learn about the Leidos benefit offerings and access important plan information. This tool is a great place to:

- ▶ Learn about the Leidos plans in a fun, interactive environment, at your own pace.
- ▶ Discover ways to take care of your physical, financial, and emotional well-being.

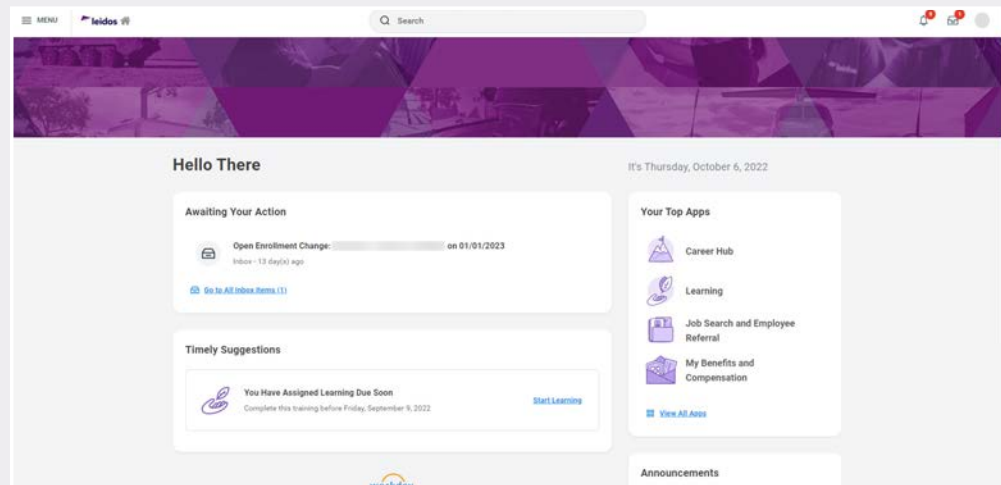

If You Have Questions **ENROLL. Open Enrollment is Nov. 1 - Nov. 15**

Contact Employee Services for help with enrolling or benefit-related questions: 855-553-4367, option 3 or email: WelcomeDynamics@leidos.com.

Changing Your Benefits During the Year

IRS regulations require that, once enrolled, you may not change your benefit elections until the next Open Enrollment period – unless you experience a qualified life event. Experiencing a qualified life event allows a participant to make some changes to coverage within 31 days of the event.

You can enroll in 2024 benefits beginning November 1 by accessing Workday through the link on Prism. (Note: You will need an activated token if accessing Prism remotely.) From Workday's homepage, locate and click the "Inbox" icon to find the Open Enrollment event and begin the enrollment process.

Important Note About Medical Coverage For Dependents - Leidos must report to the IRS the names and social security numbers of everyone covered by our company-sponsored medical plans. Therefore, if you are enrolling dependents in the medical plans, be sure to include their social security numbers.

IF YOU DON'T ENROLL

Dynetics employees - If you don't enroll, you will not have medical, dental, or vision benefits through Leidos for 2024 and will default to only the company-provided benefits (including Basic Life Insurance, Basic AD&D Insurance, Business Travel Accident Insurance, EAP, and the well-being program). Additionally, current Optional Employee Life, Optional Spouse Life, Optional Child Life and/or Voluntary Accidental Death and Dismemberment (AD&D) election(s) will carry over to 2024.

Eligibility

If you are regularly scheduled to work at least 12 hours per week, you are eligible for Leidos benefits.

- ▶ Full-time: 30-40 regularly scheduled hours per week
- ▶ Part-time: 12-29 regularly scheduled hours per week
- ▶ Consulting Employees will be eligible to enroll in medical coverage only (excluding Tricare Supplement). Coverage is 100% employee paid on a post-tax basis. Consulting Employees that enroll in a Healthy Focus medical plan will not be eligible for a Leidos sponsored Health Savings Account (HSA).

Eligibility for certain medical and dental plans may be determined by your home ZIP code.

Refer to the Benefits Summary Plan Description website at <https://benefits.leidos.com> for more information.

Double Coverage Is Not Allowed

You may not cover a spouse, registered domestic partner, or dependent child if that individual is also a Leidos employee and has elected his or her own coverage.

Eligible Dependents

- ▶ Your legal spouse or domestic partner (if proof of registration with a state or local domestic partner registry is provided or if a Declaration of Domestic Partnership form is submitted)
- ▶ Dependent children up to age 26, regardless of student status
- ▶ Unmarried children beyond the age of 26 who are incapable of self-support due to physical or mental disability
 - Children include your natural child, legally adopted child, child placed with you for adoption, stepchild, child of your domestic partner, or any other child who depends on you for support and lives with you in a parent-child relationship and for whom you can provide proof of legal guardianship.

A complete description of Leidos eligible dependent guidelines is available on the Benefits Summary Plan Description website at <https://benefits.leidos.com>.

To enroll a domestic partner, you must provide proof to our Dependent Eligibility Verification (DEV) administrator, Budco, that your domestic partnership is registered with a state or local domestic partner registry, or you must complete a Declaration of Domestic Partnership and submit proof of joint ownership document. For additional information, contact Employee Services at AskHR@leidos.com or by phone at **855-553-4367**, option 3.

Note: *The law requires that you are taxed on contributions for medical and dental coverage for your domestic partner and the children of your domestic partner, unless those children are considered tax dependents. Also, to qualify for coverage under the life insurance programs, a registered domestic partner's child must reside with the participant and be born to or legally adopted by the registered domestic partner.*

TAKE NOTE! SPOUSAL SURCHARGE

Leidos offers coverage to all spouses and domestic partners, but for those who have other medical coverage available to them, there will be an additional cost.

If your spouse/domestic partner has access to another employer's medical plan, you will pay an additional \$100 per month to cover him/her under the Leidos medical plan.

The spousal surcharge would not apply if your spouse/domestic partner is:

- ▶ Currently employed by Leidos
- ▶ Enrolled in coverage through the Marketplace or a private plan
- ▶ Not employed
- ▶ Eligible for Medicare (but not another employer-sponsored medical plan)
- ▶ Not offered/eligible for medical coverage through their employer.

DEPENDENT ELIGIBILITY VERIFICATION (DEV)

The Dependent Eligibility Verification (DEV) program is administered by Budco. At the conclusion of the enrollment period, you will be asked to verify any dependents added to your benefits for the 2024 plan year. Budco will contact you by mail and you should be ready to provide the following documents:

- ▶ Proof of marital status:
 - If married within the current calendar year: a copy of the marriage certificate only
 - If married before the current calendar year: redacted recent tax return; or a copy of the marriage certificate AND proof of joint ownership (current utility bill, mortgage statement, etc.)
- ▶ Proof of domestic partnership – proof of registration with a state or local domestic partner registry, or Declaration of Domestic Partnership and proof of joint ownership document
- ▶ Proof of parent/child relationship – birth certificate, recent hospital record, adoption paperwork, report of birth abroad, or legal guardianship document

If you fail to submit the required documentation, or if the documents you submit are insufficient or incomplete, your dependent(s) will be removed from coverage.

Spousal Surcharge Certification

I certify that my spouse does not have employer-provided healthcare coverage available to him/her. I understand that if I knowingly and willfully submit false information to Leidos in order to obtain a spousal surcharge waiver, or fail to immediately notify Leidos that I am no longer eligible for a spousal surcharge waiver, I will be subject to disciplinary action, up to and including termination of employment, and I will be required to repay all surcharges that were waived.

Your Health

Healthy Focus Medical Plans

The Healthy Focus medical plans are self-funded by Leidos, which means that Leidos pays the plan's portion of all medical claims. The plans for Dynetics are administered by Anthem who will provide administrative services, including member services and medical claims processing.

You have four Consumer Directed Health Plan (CDHP) options to choose from:

- ▶ Healthy Focus Basic Plan
- ▶ Healthy Focus Essential Plan
- ▶ Healthy Focus Advantage Plan
- ▶ Healthy Focus Premier Plan

The plans provide:

- ▶ Flexibility to see any provider, but you'll pay lower costs when you receive in-network care
- ▶ Prescription drug coverage, with greater savings when using generics and the mail order pharmacy
- ▶ An HSA to help you pay for current eligible expenses with pre-tax dollars, as well as to save for future healthcare expenses.

Transition of Care

Anthem will honor existing treatment pre-authorizations approved by BCBS AL. Anthem will request a list of pre-authorizations in place through December 31, 2023 directly from BCBS AL.

Anthem and BCBS AL use the same national Bluecard PPO network so there should not be continuation of care issues if you are currently receiving treatment from a BCBS AL in-network provider.

Remember to present your new Anthem ID card when you receive treatment beginning on January 1, 2024 to ensure your provider has the most accurate information for a seamless transition.

Anthem Health Guides

Get personalized support from health guides who will answer your questions, help you understand your benefits, and guide you through the process of getting the care you need. Health Guides work with health care professionals to connect you with the right benefits and programs for your needs. They can also help you stay on top of appointments and help you compare costs for services, and much more. To reach an Anthem Health Guide, call 833-549-1179.

National BlueCard PPO Network

To search for an in-network provider:

- ▶ Visit <https://anthem.com/find-care>
- ▶ Scroll down to "Use Member ID for Basic Search"
- ▶ Enter prefix: DKV

What is a CDHP?

CDHPs are designed to encourage you to take an active role in your healthcare by knowing your treatment options and the cost implications of your choices. They have a high deductible, but the tax-free HSA can help you cover out-of-pocket costs. With an HSA, you can carry forward unused dollars if you don't use all of the money in a particular year.

HOW THE MEDICAL PLANS WORK

- ▶ In-network preventive care, e.g., annual physicals, routine tests, and screenings, is covered at 100 percent.
- ▶ Other than in-network preventive care, you pay a certain amount out-of-pocket, before the plan begins to pay for care – that's your annual deductible. You have access to in-network discounts even before you meet your annual deductible.
- ▶ After you reach your annual deductible, the plan pays a percentage of the cost of most care. (You pay the remaining percentage, or co-insurance.)
- ▶ Your out-of-pocket costs are limited to an out-of-pocket maximum – which is the most you may pay in one year.

Disclaimer:

If you elect to participate in one of our Healthy Focus plans, your claims data and other personal health information (PHI) may be used in the administration of various medical, Rx and other well-being programs.

What to consider when selecting a plan

When choosing your medical coverage, you should carefully review and consider the following:

Your annual premiums - The annual premium you pay for medical coverage is spread across the year, so you pay a portion of it in each pay period on a pre-tax basis. It's important to note that plans with a lower deductible have a higher premium. Likewise, a plan with a higher deductible will have a lower premium.

The plan design - Review the plan's deductible, coinsurance and out-of-pocket maximum to ensure you understand how the medical plan works.

Your estimated annual expenses for you and your covered dependents - Review medical and prescription needs from the current year to assist you with predicting costs for the upcoming year. You should also consider the cost of any procedures you or your covered dependents anticipate for 2024.

As you evaluate the plan options, consider your premiums, deductibles, and out-of-pocket maximums together with Leidos contributions towards your Health Savings Account.

Prescription Drugs

If you are enrolled in one of the Healthy Focus medical plans, you have access to prescription drug coverage administered by Express Scripts (ESI). The Express Scripts plan is competitive and designed to help you manage prescription drug costs.

HOW THE PRESCRIPTION DRUG PLAN WORKS

Under the Healthy Focus medical plans, you must meet the annual medical plan deductible before the plan begins sharing the cost for prescription drugs.

The medical plan deductible does not apply to certain preventive drugs, such as many medications to treat and prevent hypertension, high cholesterol, and asthma. Visit the Healthy Focus Medical Plans page on the Benefit Summary Plan Description website <https://benefits.leidos.com> for more information.

WAYS TO SAVE ON PRESCRIPTION DRUGS

- ▶ **Ask your doctor or pharmacist about generic versus brand name drugs.** Generic equivalent medications contain the same active ingredients and are subject to the same Federal Drug Administration (FDA) standards for quality, strength, and purity as their brand name counterparts. Choosing generic rather than brand name drugs can save you money.
- ▶ **Use the Express Scripts mail service or Walgreens Smart90 program for your long-term medications.** You can get up to a 90-day supply for a single mail-order payment. That means you will typically pay less over time. **Note:** *If the long-term maintenance medication is not filled through mail order or a Walgreens pharmacy, participants will pay a penalty.*

Paying for Prescription Drugs with the Healthy Focus Medical Plans

With a CDHP, you pay the full price of prescription drugs until you meet the deductible for generic, preferred brand and non-preferred brand medications. That’s really important to understand, especially for you and your covered dependents managing serious conditions that are treated with costly medications. Refer to the chart below to see what you pay for prescriptions after you meet your deductible.

	Healthy Focus Basic Plan		Healthy Focus Essential Plan		Healthy Focus Advantage Plan		Healthy Focus Premier Plan	
	Network	Out-of-Network	Network	Out-of-Network	Network	Out-of-Network	Network	Out-of-Network
Generic	50%		\$5		\$5		0%	
Preferred Brand	50%	Not Covered	30%	Not Covered	30%	Not Covered	0%	Not Covered
Non-Preferred Brand	50%		50%		50%		0%	

Note: Certain preventive prescriptions are not subject to the deductible. Applicable copay or co-insurance will automatically kick-in.

PRESCRIPTION DRUG CLINICAL MANAGEMENT PROGRAMS

Prior Authorization

Prior Authorization is a feature of your prescription benefits that helps ensure the appropriate use of selected prescription drugs. Certain prescription drugs require your doctor to get approval before they’re covered. This process helps make sure you receive the right medicine in the correct dose, which is very important if you’re taking a specialty drug.

Step Therapy

Step Therapy is an approach intended to control the costs and risks posed by certain prescription drugs. It begins by trying the safest and most cost-effective drug therapy for a medical condition and progresses to other more costly or risky drug therapies only if necessary.

Walgreens Smart90

The Walgreens Smart90 Program is a feature of the Express Scripts program where participants can receive a 90-day supply of maintenance medication through either Express Scripts mail order or any Walgreens network pharmacy. If the medication is not filled through mail order or a Walgreens pharmacy, participants will pay a penalty. These penalties will not count towards the deductible or out-of-pocket maximum. Additionally, participants will still receive penalties after they have met their out-of-pocket maximum.

Patient Assurance Program

If you are enrolled in a Healthy Focus medical plan you will have access to the Patient Assurance Program (PAP) administered by Express Scripts. With this program, when you fill a prescription for select diabetes products, you will pay no more than \$75 for a 90-day prescription at retail or mail order. In other words, your out-of-pocket amount is capped and significantly reduced at the point-of-sale for both home delivery and in-network retail pharmacies. Any copay amount paid will apply to your annual out-of-pocket maximum only. Select preferred diabetes products are included within this program and include therapies within the following categories:

- ▶ Insulin
- ▶ GLP-1 agonists
- ▶ SGLT2-inhibitors
- ▶ DPP-4 inhibitors

Propeller

If you are enrolled in a Healthy Focus medical plan and have asthma or COPD, Express Scripts (ESI) has partnered with Propeller to offer a FREE program to help you manage your breathing.

Propeller is a digital health tool that’s clinically proven to reduce the use of rescue inhalers and to help you have more days without symptoms.

- ▶ Download the Propeller app to your phone
- ▶ Get your inhaler sensors in the mail and sync with the app
- ▶ The app learns about your breathing, builds your personalized profile and provides:
 - Reminders to help you stay on track
 - A record of your medication use
 - Help determining your triggers
 - Tips to help you breathe easier
 - Progress reports you can share with your healthcare provider

Log in to your Express Scripts account at express-scripts.com/healthsolutions to see if you are eligible for the Propeller program.

Disclaimer:
If you elect to participate in one of our Healthy Focus plans, your claims data and other personal health information (PHI) may be used in the administration of various medical, Rx and other wellness programs.

Get reminders to help you follow your treatment plan

Learn what triggers your asthma or COPD symptoms

Have more confidence for daily activities and exercise

Share reports about your progress with your health-care provider

Find your inhaler if you lose it

Rx SAVINGS SOLUTIONS

In partnership with ESI, Leidos provides access to Rx Savings Solution (RxSS), a simple, confidential online tool that helps you identify ways to save money on your prescription medications. RxSS offers you several ways to save money through the convenience of your mobile device or through an online portal. Also, unlike traditional price look-up tools or coupon programs, it will automatically alert you or your covered dependents with an email or text if you are paying too much for your prescriptions and tell you how to get the same treatment for less money.

RxSS is available at no cost to all U.S. benefits eligible employees and dependents enrolled in a Healthy Focus medical plan.

How it Works

- ▶ If you have regular prescriptions, RxSS will notify you automatically if there is an opportunity to save money.
- ▶ RxSS identifies different medications that perform the same as your current or prescribed medication, but with a lower out-of-pocket cost (which you can review with your clinician or prescriber).
- ▶ Anytime you get a new prescription, you can use the online tool or mobile app to look for savings opportunities.
- ▶ With the information RxSS provides, you will be able to speak with your doctor or prescriber about making any changes to your prescriptions. Or, RxSS can do the work for you – it provides access to certified pharmacy technicians for personal assistance.
- ▶ Savings opportunities could come in many forms: generics, different forms of the same medication (like switching from a capsule to a tablet), and different medications that treat the same condition but cost less.

Activate your account today at myrxss.com and learn how to save money on current and future prescriptions!

Health Savings Account (HSA)

An HSA is a great tax-advantaged opportunity. You can use the account to pay for qualified health expenses with tax-free dollars. The Healthy Focus Plans feature an HSA, designed to help you save for current and future medical expenses.

WHO'S ELIGIBLE TO ENROLL IN AN HSA?

IRS guidelines dictate HSA eligibility. If you can answer YES to any of the below questions, you will still be eligible to enroll in a Healthy Focus medical plan but NOT eligible to participate in an HSA.

1. Are you enrolled in Medicare or TRICARE?
2. For the plan year 2024, will you be enrolled in a medical plan or program in addition to the plan such as your spouse's/partner's HMO or traditional PPO plan or standard Healthcare FSA?

Note: If you're enrolled in an HSA, you can also enroll in a Limited Purpose FSA to cover eligible dental and vision expenses – but you cannot enroll in a standard Healthcare FSA.

HOW THE HEALTHY FOCUS PLANS AND THE HSA WORK TOGETHER

HSA You start with tax-free contributions to the HSA	Paying for Care When Needed You can use your HSA to pay your share of qualified medical expenses	Carrying Funds Forward If you have HSA dollars left...
Your contributions + Company contributions (if eligible)	You pay 100% until you meet the deductible* You and the company share costs (co-insurance depending on the plan) After you meet out-of-pocket max, company pays 100%	Unused dollars carry forward to 2024 and beyond

*Except for in-network preventive care.

Leidos May Also Contribute to your HSA

In addition to your pre-tax contributions, Leidos may contribute to your HSA. The amount Leidos will contribute is based on the plan you choose, your coverage level and your annual base salary. The company contribution to your HSA will be made in equal installments on a biweekly basis. To determine your company contribution, refer to the chart below:

Annual Base Salary	Healthy Focus Basic Plan		Healthy Focus Essential Plan		Healthy Focus Advantage Plan		Healthy Focus Premier Plan	
	Employee only	Employee + Spouse; Employee + Children; Family	Employee only	Employee + Spouse; Employee + Children; Family	Employee only	Employee + Spouse; Employee + Children; Family	Employee only	Employee + Spouse; Employee + Children; Family
\$85,000 or less	\$0	\$0	\$9.61	\$19.23	\$19.23	\$38.46	\$19.23	\$38.46
\$85,001-\$150,000	\$0	\$0	\$4.80	\$9.61	\$9.61	\$19.23	\$9.61	\$19.23
\$150,001 or greater	\$0	\$0	\$0	\$0	\$0	\$0	\$0	\$0

Note: In the event that salary and/or coverage level change during the year (e.g., Employee only to Employee + Spouse), the company's contribution will not change.

WHAT YOU NEED TO KNOW ABOUT HSAs

- ▶ You must re-enroll every year to participate.
- ▶ You can make pre-tax contributions through payroll deductions. The IRS maximum contribution in 2024 is \$4,150 for employee only coverage, or \$8,300 for all other coverage levels. This annual limit includes any contributions made by Leidos through biweekly company contributions and/or incentives earned through participation in well-being activities. If you are older than age 55 at any point during 2024, you can make an additional \$1,000 contribution via Workday by choosing the HealthEquity with Catch Up Contribution plan or by sending payment directly to HealthEquity.
- ▶ You can make additional, post-tax contributions at any time during the year by sending a check to HealthEquity. Keep in mind that any post-tax contribution that you make applies to the annual IRS maximum.
- ▶ The funds in your account roll over from year to year and there is no limit to how much you can accumulate over time. You will never be taxed on this money (as long as it's used for qualified medical expenses); and once your balance reaches \$100, you can choose to invest it in a range of funds through HealthEquity. Remember, all investing is subject to risk; consult a financial advisor for assistance.

Please note that you can change the amount of your HSA contribution at any time during the plan year in Workday. No qualified status change is required for you to make a change. Changes made will go into effect the first of the following month. For more information on eligibility, qualified medical expenses and how an HSA works, go to www.healthequity.com.

Kaiser Permanente Medical Plans

Employees in California, Colorado, Mid-Atlantic States (MD, D.C. and VA), and Hawaii have the option to enroll in a Kaiser Permanente HMO medical plan. As a Kaiser Permanente member, your coverage includes exclusive access to top-notch doctors and hospitals. You and your Kaiser provider will work together to create a personalized wellness plan that makes it easier for you to stay healthy – in mind and body. When you enroll in Kaiser, you and your covered dependents will need to select a primary care physician (PCP) to coordinate all routine medical care and specialist referrals. The Kaiser plan includes a prescription drug benefit. Preventive care received in the Kaiser plans is covered at 100 percent, no deductible.

Kaiser Hawaii and California plans are now required to use binding arbitration to settle disputes related to or arising out of care delivery. The California Health and Safety code 1363.1, and Hawaii Case Law requires Kaiser Permanente to notify the employee of the use of arbitration at the point of enrollment, therefore, you will see a link to the arbitration agreement within the Workday Open Enrollment event. **Note: If you do not agree to the arbitration language you should choose a different medical plan option.**

By enrolling in a Kaiser Permanente Hawaii or California Plan, you understand that this action will serve as your agreement to the conditions provided in the Kaiser Foundation Health Plan Arbitration Agreement.

HMSA

The HMSA medical plan is a Preferred Provider Organization (PPO) available to employees who reside in Hawaii. With HMSA, members have access to quality care from their choice of doctors and specialists and Hawaii’s top hospitals. This plan offers flexibility in the way a member gets medical benefits (e.g. office visits, inpatient facility services, outpatient services, etc.). In general, to get the best benefits possible, a member should seek services from HMSA participating providers. If a member chooses to visit a non-participating provider, the out-of-pocket costs will be higher.

Tricare Supplement

TRICARE Supplement insurance is voluntary insurance designed to supplement TRICARE to help with out-of-pocket healthcare expenses. Retired military people who have TRICARE Supplement insurance coverage can save on copays, prescriptions, and cost shares.

TRICARE and TRICARE Supplement are separate plans. However, TRICARE Supplement may help to minimize your out-of-pocket expenses. Not all services and expenses are covered by TRICARE and TRICARE Supplement Insurance.

Expats electing Tricare must elect the appropriate Tricare Overseas Program.

See the [Plan Design for Employees brochure](#) for benefits and coverage details, including exclusions, and limitations.

Triple-S Optimo Plus Medical Plan

Participants located in Puerto Rico are eligible to enroll in the Optimo Plus Medical Plan through Triple S.

HOW THE OPTIMO PLUS PLAN WORKS

Participants covered under the Triple-S Optimo Plus Plan do not have to meet a deductible. However, participants must meet an annual out-of-pocket maximum of \$6,350 (Individual) or \$12,700 (Family). Once the out-of-pocket maximum is met, Triple S will pay 100% of the member's remaining covered health care expenses for the rest of the plan year.

Participants may access care within the Triple S provider network without a referral from a primary care physician.

For services rendered by non-participating providers in Puerto Rico, the member will pay the difference between the billed amount and Triple S established fees for participating providers. Services outside of Puerto Rico are covered through the Blue Cross & Blue Shield (BCBS) network and require preauthorization. Non-participating providers are covered only in case of emergency. Triple-S will pay these services per the fees established by the local BCBS plan for non-participating providers.

Dental

Good dental health is important to your overall health and well-being. Leidos offers you a choice when it comes to the type of dental plan that works best for you and your family. Depending on where you live, you may be able to choose the Delta Dental PPO Low option, Delta Dental PPO High Option, or a DMO administered by Aetna. All three plans provide coverage for:

- ▶ Preventive care and diagnostic services, such as exams, cleanings, and X-rays
- ▶ Basic restorative and major services, such as fillings, crowns, and dentures

See the below comparison chart for details on **in-network** coverage.

Dental Plan Comparison Chart

A complete description of the dental plan options is available on the Benefits Summary Plan Description website at <https://benefits.leidos.com>.

**If you intend to enroll in Aetna DMO, you must choose a primary dentist when you enroll.*

DELTA DENTAL

Under the Delta Dental PPO Low and Delta Dental PPO High plans, you have access to both of Delta's PPO and Premier networks. Thus, you have a wider selection of in network dentists. However, note that you will generally have a higher out-of-pocket cost if you see a dentist in the Delta Dental Premier network. For more information and to find an in-network dentist, visit deltadentalva.com/members/leidos.

Prevention First Program

Your preventive care and diagnostic services (typically X-rays, exams and cleanings) do not count against your Delta Dental annual benefits maximum. This means that the costs for preventive care are excluded from your annual allowance.

Delta Dental's Special Health Care Needs Benefit

Members with special health care needs such as physical, developmental, mental, sensory, behavioral, cognitive, or emotional impairment or limiting condition that requires specialized services or programs may receive additional benefits:

- ▶ **Extra exam** benefit for additional consultations with the dentist to help the member understand what to expect prior to treatment
- ▶ **Up to four** dental cleanings per year
- ▶ **Treatment delivery modification including anesthesia** for patients with sensory sensitivities, behavioral challenges and severe anxiety

Visit <https://deltadentalva.com/special-health-care-needs-resources> for instructions on how to utilize this benefit.

AETNA DMO

Employees and dependents who enroll in the DMO plan, must choose a primary care dentist. Each covered person may select his or her own primary care dentist. This primary care dentist will provide all routine dental care and will refer the participant to a network specialist whenever specialty care is needed.

If a participant receives dental care without going through his or her primary care dentist first, or if the participant's care is not authorized by the plan, the Aetna DMO will not pay any benefits. The participant will pay the full cost of any out-of-network or unauthorized care.

Choosing a Primary Care Dentist

Employees and each dependent must select a primary care dentist from Aetna DMO's network of providers. Each member can change his or her primary care dentist at any time during the year. To select or change a primary care dentist, a member can call the Aetna Member Services number on the back of their ID card.

- ▶ Dependent (Daycare) FSA

HOW THE FSAs WORK

- ▶ The FSA has an annual pre-tax contribution limit of:
 - \$3,050 for the Healthcare and Limited Purpose FSAs
 - \$2,500 for married couples filing separately or \$5,000 for single or married employees filing tax returns jointly for the Dependent (Daycare) FSA
- ▶ You decide how much to set aside for eligible healthcare or dependent care expenses for 2024.

Remaining balances in excess of the \$610 carry-over at the end of the plan year will be forfeited. You have until April 30, 2025, to file claims for 2024.
- ▶ Money is taken from your pay pre-tax, which lowers your taxable income. You'll never be taxed on the money you use for eligible expenses.
- ▶ You can have your FSA reimbursements deposited directly into your bank account.

HealthEquity administers the FSA for Leidos. To view your FSA information online, register with HealthEquity at www.healthequity.com. You'll need to verify your employee status, confirm your contact information and create a user name and password.

**Take Note!

FREEDOM FROM SMOKING TOBACCO CESSATION PROGRAM

Although the first steps can be hard, finding your path to a smokefree life is easier with the right help. The American Lung Association's Freedom From Smoking program is a proven way to stop tobacco usage even if you've tried before and went back. Every person's experience with quitting is different. The Freedom From Smoking program uses proven activities and tools to help you understand your own relationship with tobacco—and how to say good-bye for good.

The user-friendly interface helps you create a personal quit plan on your desktop, tablet or smartphone. Through interactive features that include videos, quizzes and activities, Freedom From Smoking Plus walks you through the quitting process and offers a surround sound of support from American Lung Association's Lung HelpLine counselors. Individuals can also access ongoing support from other quitters by logging on and discussing their challenges and success stories with others working to break their tobacco addiction. Get started at <https://www.freedomfromsmoking.org/>.

Leidos charges a \$50 per month tobacco surcharge for those enrolled in a Leidos medical plan (with the exception of the Tricare Supplement, due to regulatory statutes). In order for the surcharge to be removed, you must complete the American Lung Association Tobacco Cessation program and provide a certificate of completion to receive reimbursement for the cost of the program and to remove the Tobacco Use Surcharge. Please note that it could take up to two pay periods for the surcharge to be removed.

Your Money

Life Insurance

Leidos offers several types of financial protection for participants and their families, administered by Prudential, including Basic Life insurance, Group Universal Life Insurance (GUL), and Optional Dependent Life. Leidos also provides the following additional benefits: Basic Accidental Death & Dismemberment (AD&D) and Voluntary AD&D for you and your dependents, both of which are administered by New York Life (formerly Cigna), and Business Travel Accident (BTA) Insurance.

To learn more, visit the Benefits Summary Plan Description website at benefits.leidos.com.

BASIC LIFE INSURANCE

If you are eligible, you will automatically receive Basic Life insurance for yourself. The amount of your Basic Life insurance coverage is equal to one times your annual base salary to a maximum of \$1,000,000. Employees with a salary less than \$50,000 will receive a flat \$50,000 in coverage. Employees with a salary greater than \$50,000 annually receive 1x annual base salary or choose a flat \$50,000 of coverage. Leidos pays the full cost of basic life.

Basic Life benefit amounts over \$50,000 are subject to income tax. The income tax amount added to your W-2 is calculated based on the value of the premium paid by Leidos for coverage amounts over \$50,000. This is called "imputed income."

When you attain age 70, coverage will be reduced by 35%.

Basic Life insurance includes dependent life in the amount of \$2,000 per eligible dependent.

GROUP UNIVERSAL LIFE INSURANCE (GUL)

You can purchase GUL insurance for yourself – from one times to eight times annual base salary, up to a \$4 million maximum benefit.

GUL insurance provides benefits that go beyond term life insurance. GUL helps protect your family and builds a secure financial future. In addition to providing a life insurance benefit for your loved ones, it features a Cash Accumulation Fund (CAF) that allows you to earn interest on a tax-deferred basis.

You can:

- ▶ **Earn guaranteed interest.** The CAF has a guaranteed interest rate of 4 percent.
- ▶ **Keep it even after your employment with Leidos ends.** Insurance can continue under certain circumstances at the full coverage amount up to age 100, on a direct-billed basis.
- ▶ **Enjoy tax benefits.** Earnings and interest credited on contributions to the CAF are tax-deferred. The death benefit (typically the face amount of insurance plus the CAF) is generally income tax-free to beneficiaries.
- ▶ **Access funds easily.** You can take loans or make withdrawals from the CAF at any time and for any reason. You can also use the CAF to pay premiums or purchase fully paid up coverage.
- ▶ **Qualify for special benefits if you become disabled or terminally ill.** The Waiver of Premium provision for qualifying disabled employees and the Accelerated Benefit Option for terminally ill employees provide extra support when it's needed most.

Did you know you can also make a payment directly to your CAF via personal check?

To do so, contact Mercer, the CAF administrator, at 855-735-4873. You will be asked to verify your name, SSN, date of birth, plan number (52844) and the amount you would like to deposit via check.

GUL Evidence of Insurability (EOI):

- ▶ If you are currently enrolled in GUL you may increase your coverage by one level as long as the total benefit does not exceed the lesser of three times your annual base salary or \$500,000, without satisfying Evidence of Insurability (EOI).
- ▶ If you are a new hire, you can enroll in coverage for yourself up to three times your annual base salary, not to exceed \$500,000, without having to provide EOI.

DEPENDENT LIFE INSURANCE

If you are enrolled in Group Universal Life (GUL), you also have the option to purchase dependent life insurance for your eligible dependents. You pay the full cost for this coverage, post-tax.

You can purchase coverage for:

- ▶ Your spouse/domestic partner. Coverage options are \$10,000, \$25,000, \$50,000, \$100,000, \$150,000, \$200,000, \$250,000, or \$300,000.
- ▶ Your dependent child(ren). Coverage options are \$5,000, \$10,000 or \$25,000.

Evidence of Insurability (EOI):

- ▶ If you are currently enrolled in Spouse Life, you may increase your coverage by one level up to \$25,000, without satisfying EOI.
- ▶ EOI is not required for new enrollments for child life.

Note:

- ▶ *You must be actively at work before any new or increased Group Universal Life (GUL) will become effective.*
- ▶ *Your dependents must be non-home or hospital confined due to illness or injury before any new or increased Optional Dependent Life coverage will become effective.*
- ▶ *Coverage is not available to your spouse or registered domestic partner if they are also employed by Leidos.*
- ▶ *To qualify for coverage under the Leidos life insurance programs, a stepchild must reside with the participant.*
- ▶ *To qualify for coverage under the Leidos life insurance programs, a registered domestic partner's child must reside with the participant and be born to or legally adopted by the registered domestic partner.*

Accidental Death and Dismemberment (AD&D) Insurance

BUSINESS TRAVEL ACCIDENT INSURANCE

Leidos provides all eligible employees with Business Travel Accident (BTA) Insurance in the amount of three times annual base salary, up to a maximum benefit of \$500,000. This plan pays a benefit in the event that you die as a result of an accident while traveling on company business.

BASIC AD&D

Basic AD&D provides coverage to your beneficiary if you die as the result of an accident. If you are injured as the result of an accident, you will receive a percentage of your coverage based on your injury.

Eligible employees will automatically receive Basic AD&D coverage equal to one times your annual base salary, to a maximum of \$250,000, rounded to the next higher \$1,000. Leidos pays the full cost of Basic AD&D.

VOLUNTARY AD&D

You can purchase additional AD&D insurance for yourself and your dependents in amounts equal to one-half of your pay up to 10 times your annual base salary, to a maximum of \$1,000,000. You pay the full cost of this coverage, pre-tax.

Disability Coverage

SHORT-TERM DISABILITY (STD)

Short-Term Disability insurance provides income replacement if you are unable to work because of a medical condition, including pregnancy. The Leidos STD program is made up of 3 components that work together to replace a percentage of your pay in the event of disability:

1. Disability Sick Leave (DSL) - automatically provided by Leidos at no cost to employees.
2. Voluntary Short-Term Disability Insurance (VSDI) - elected and paid by employees.
3. State-Mandated Disability and Paid Medical Leave programs.

Disability Sick Leave

DSL is a company-paid benefit, which provides employees with income replacement as part of an approved STD claim. Eligible employees are credited up to 10 days (80 hours) of DSL upon date of hire and on each employment anniversary (DSL is pro-rated for part-time employees). You may accrue up to a maximum of 1,560 hours (195 days) of DSL. DSL works in conjunction with VSDI and any state-mandated disability benefit to replace up to 100% of your pay.

Note that if you do NOT elect VSDI or qualify for any state-mandated disability program, all disability payments will come from and will be limited to the amount of DSL hours you have accrued and may not support a long period of disability. If you elect VSDI, 20% of your total income replacement will come from your accrued DSL hours and the other 80% will come from VSDI, offset by any applicable state disability or paid medical leave payments. (See STD Payment Schedule on the next page).

Voluntary Short-Term Disability Insurance (VSDI)

Eligible employees may purchase additional disability coverage through VSDI. This plan coordinates with DSL and any state-mandated programs to replace up to 100% of your pay. VSDI can be important to purchase if you do not have a significant DSL balance. VSDI typically covers 80 percent of your monthly STD benefit.

State-Mandated Disability and Paid Medical Leave Programs

If you are located in the following states, you may be eligible for state-mandated plans:

- ▶ California
- ▶ Colorado
- ▶ Commonwealth of Puerto Rico
- ▶ Connecticut
- ▶ Hawaii
- ▶ Massachusetts
- ▶ New Jersey
- ▶ New York
- ▶ Oregon
- ▶ Rhode Island
- ▶ Washington
- ▶ Washington DC

DSL and VSDI coordinate with state-mandated plans. This means that state plans pay first and DSL/VSDI pay the remainder of your disability benefits.

STD PAYMENT SCHEDULE

The table below illustrates how VSDI integrates with DSL and state-mandated disability plans. Note that disability payments are paid through the 26th week of disability not to exceed 180 days. DSL and VSDI payments begin on:

- ▶ The first day of disability, if you are hospitalized on the first day and charged the full daily rate
- ▶ The eight calendar day of a disability if you are not hospitalized

Period of Disability	Total Pay (From All Sources)	VSDI (Integrated with state plan, if applicable)	DSL Portion
Week 1	0% (7-day waiting period)	0% (7-day waiting period)	0% (7-day waiting period)
Weeks 2 - 10	100% of regular weekly wages	80% (to a maximum weekly benefit of \$4,808)*	20%, as available
Weeks 11 - 19	80% of regular weekly wages	80% (to a maximum weekly benefit of \$3,846)*	20%, as available
Weeks 20 - 26*	66 2/3% of regular weekly wages	80% (to a maximum weekly benefit of \$3,202)*	20%, as available

**Typically, VSDI covers 80% of the benefit and the remaining 20% is provided by DSL. If you do not enroll in VSDI, all benefits will be paid from your available DSL balance and your state’s plan, if applicable.*

Note: You must be actively-at-work on the effective date of coverage in order to be covered under the Leidos STD plan.

LONG-TERM DISABILITY

Voluntary Long-Term Disability (LTD) insurance is designed to provide you with income if you become disabled and cannot work for six consecutive months or longer. LTD is insured and administered by New York Life. If elected, LTD begins after you have been disabled for more than 26 weeks and approved by the insurance carrier. The benefit will pay up to 60 percent of your covered monthly annual base salary to a maximum monthly benefit of \$14,500.

Evidence of Insurability (EOI)

If you do not elect LTD coverage when first eligible, you must satisfy EOI requirements before coverage begins.

LTD Actively-at-Work Provision

If you are on STD prior to January 1, 2024 and currently do not have LTD coverage under NYL, you are eligible to participate in Open Enrollment and will be able to elect LTD. However, your coverage will not be effective until you return from leave and actively working. You will not be charged premiums until your coverage is active (i.e. when you return from leave).

STD AND LTD TRANSITION

Disabilities that started prior to January 1, 2024 will continue to be paid by Mutual of Omaha even if the STD or LTD extends into 2024.

If you are on STD prior to January 1, 2024 and the disability crosses over to LTD, you should file for LTD benefits with Mutual of Omaha.

Retirement: 401(k) Plan

Leidos cares about your financial well-being, which includes having the financial resources to enjoy life once you retire. The 401(k) Plan helps you prepare for retirement. You can grow your account by making contributions and receiving matching contributions (if eligible) from the company in the 401(k) Plan. You decide how to invest your account, and your investments may grow tax-free until you take money out of the plan.

Please note: You may enroll, start contributions, change or stop contributions to the 401(k) Plan at any time, not just during Open Enrollment. Also, please take this time to ensure that your beneficiaries are up-to-date in this plan as 401(k) beneficiary designations are separate from life insurance and other benefits!

PLAN HIGHLIGHTS

Who is eligible	All employees on U.S. payroll (Bargained employees: Participation is subject to the terms and conditions of your collective bargaining agreement.)
How you can save	You can contribute 1% to 90% of your base pay (up to IRS limits) on a pre-tax, Roth after-tax, and traditional after-tax basis. You can also contribute additional catch-up contributions, up to IRS limits, if you are age 50 or older in 2024. Bargained employees only: Plan features are subject to the terms of your collective bargaining agreement and may allow for contributing 1% to 5% of your CODA, if applicable.
Matching contributions	In general, Leidos will match dollar for dollar when you contribute on a pre-tax or Roth after-tax basis, up to the first 5% of your base salary, inclusive of paid time off and holiday pay. Under certain contracts or negotiations, you may be ineligible for a match, or the match may be reduced to 50% on the first 6% of your annual base salary deferred. Eligibility for the company match is based on fringe codes.
Vesting	You are always 100% vested in – have full rights to – any contributions you make to the 401(k). You are fully vested in the company’s matching contributions after three years of service. Service is defined as working at least 850 hours during a calendar year. Full vesting also occurs at age 59½, total disability or death while employed by Leidos. If you leave the Company and are rehired anytime later, your prior service will count towards vesting.
Traditional after-tax contributions	Traditional after-tax contributions allow you to save above the IRS pre-tax and Roth limit. You can find the 2024 limits at vanguard.com/contributionlimits . Traditional after-tax contributions are not eligible for the company match. Traditional after-tax contributions are an excellent way to save additional money, after maximizing your match, for “rainy-day/emergency” funds instead of taking a loan or hardship withdrawal, as you have the ability to withdraw your after-tax contributions at any time. You can also convert your traditional pre-tax and after-tax balances to Roth via the Vanguard in-plan Roth conversion feature.
Investing your account	Vanguard offers an investment lineup with a diverse selection of funds to choose from, including Leidos Common Stock. You have access to online and phone support through Vanguard for managing your account, plus additional resources to help with investment decisions and planning for retirement.
Getting money from your account	In general, your vested account balance is available to you: <ul style="list-style-type: none"> ▶ If you retire or terminate employment with the company ▶ Through plan loans ▶ Through in-service traditional after-tax withdrawals, withdrawals from rollover accounts, and limited hardship withdrawals while you’re working for the company ▶ At any time following attainment of age 59½ while working for the company

Not saving in the company 401(k) Plan? You can enroll or change your election at any time during the year. Visit www.vanguard.com/retirementplans to get started. You'll need your plan number: 090518. (Bargained employees: Your plan number is 094548.)
