Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Does not apply	You don't have to meet <a href="#">deductibles</a> for specific services, but a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
Are there other <a href="#">deductibles</a> for specific services?	No.	You do not have to pay <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For medical, hospital and prescription drug services provided by <a href="#">in-network providers</a> - <b>\$6,350</b> Individual / <b>\$12,700</b> Family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance billing charges</a> , health care this <a href="#">plan</a> doesn't cover, payments for non essential benefits, <a href="#">out of network coinsurance</a> / <a href="#">copayments</a> , and penalties for failure to obtain <a href="#">precertification</a> for services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.ssspr.com">www.ssspr.com</a> or call 1-800-981-3241 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.

You can see the [specialist](#) you choose without a [referral](#).

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
