Do what works for you

Find healthy habits and routines that work for you.

24/7 access to support

From weekly lessons to online community, get all the tools you need to face any challenge head-on.

You decide what 'healthy' means

Try new things you actually enjoy, rather than avoiding foods you “can't eat” or things you “shouldn't do.”

The best part?

If you are living with type 1 or type 2 diabetes and are eligible, Leidos will cover the entire cost of the program. This includes a connected glucose meter with as many test strips as you need!

It only takes a few minutes to get started:
