If a Covered Person is Confined in a Hospital and becomes Confined again within 90 days for the same or related condition, we will treat the Confinement as a continuation of the prior Confinement. If more than 90 days have passed between the periods of Confinement, we will treat this Confinement as a new Confinement.

Inpatient Rehabilitation Benefit: If a Covered Person is transferred to a Rehabilitation Facility immediately after a period of Confinement for treatment of an accidental injury, We will pay the Inpatient Rehabilitation Benefit shown in the Schedule of Benefits, subject to all of the following:

The Organized Sports Activity Benefit is only payable as an increase to a benefit that is payable under this Group Insurance Certificate. If a particular benefit is not payable under this Group Insurance Certificate, no amount will be payable under the Organized Sports Activity Benefit.

Who is Eligible to Become Insured

FOR EMPLOYEE INSURANCE

You are eligible for Employee Insurance while:

- You are a Full-time or Part-Time Employee of the Employer; and
- You are in a Covered Class; and
- You are under age 100; and
- You have completed the Employment Waiting Period, if any. You may need to work for the Employer for a continuous Full-time or Part-Time period before You become eligible for the Coverage. The period must be agreed upon by the Employer and Prudential. Your Employer will inform You of any such Employment Waiting Period for Your class.

You are Full-time if You are regularly working for the Employer at least the number of hours in the Employer's normal Full-time work week for Your class, but not less than 12 hours per week.

You are Part-Time if You are regularly working for the Employer at least the number of hours in the Employer's normal Part-Time work week for Your class, but not less than 12 hours per week. If You are a partner or proprietor of the Employer, that work must be in the conduct of the Employer's business.

Your class is determined by the Contract Holder. This will be done under its rules, on dates it sets. The Contract Holder must not discriminate among persons in like situations. You cannot belong to more than one class for insurance on each basis, Contributory or Non-contributory Insurance, under the Coverage. "Class" means Covered Class, Benefit Class or anything related to work, such as position or Earnings, which affects the insurance available.

This applies if You are an Employee of more than one Employer included under the Group Contract: For the insurance, You will be considered an Employee of only one of those Employers. Your service with the others will be treated as service with that one.

The rules for obtaining Employee Insurance are in the When You Become Insured section.

FOR DEPENDENTS INSURANCE

You are eligible for Dependents Insurance while:

- You are eligible for Employee Insurance; and
- You have a Qualified Dependent.

Qualified Dependents:

These are the persons for whom You may obtain Dependents Insurance:

- A person who is Your Spouse or Domestic Partner prior to their enrollment for Dependents Insurance.

Your Spouse means Your lawful Spouse.

Your Domestic Partner is a person of the same or opposite sex who:

- A) Satisfies the requirements for being a Domestic Partner, registered Domestic Partner or party to a civil union under the law of Your jurisdiction of residence; or
- B) Is a person of the same or opposite sex who satisfies all of the following:
 - is age 18 or older; and
 - is not related to You by blood or a degree of closeness that would prohibit marriage in the law of the jurisdiction in which You reside; and
 - is mentally competent to consent to contract; and
 - is not married to another person under statutory or common law nor in a Domestic Partnership, registered Domestic Partnership or civil union with another person; and
 - is not otherwise a Qualified Dependent under the Program; and
 - is in a single dedicated, serious and committed relationship with You; and
 - has shared a single permanent residence with You for at least 12 consecutive months; and
 - is financially interdependent with You.

Where requested by Prudential, You and/or Your Domestic Partner certify that all of the above requirements are satisfied. Such certification shall be in a format satisfactory to Prudential.

Either a Spouse or a Domestic Partner may be a Qualified Dependent under the Program at any one time, but not both at the same time.

- Your unmarried Children from live birth to 26 years old.

Your Children include Your:

- A) Biological Children; and
- B) Legally adopted Children, Children placed with You for adoption prior to legal adoption, and each of Your step-Children. A Child placed with You for adoption prior to legal adoption is considered Your Qualified Dependent from the date of placement for adoption, and is treated as though the Child was Your newborn Child; and
- C) Foster Children; and
- D) Domestic Partner's Children; and

E) Children for whom You, Your Spouse or Your Domestic Partner:

- (a) have been appointed the legal guardian; and
- (b) claim as a dependent on Your, Your Spouse's or Your Domestic Partner's federal income tax returns.

A Child who is Your, Your Spouse's or Your Domestic Partner's ward under a legal guardianship will be considered a Qualified Dependent from the effective date of court order granting the legal guardianship, and is treated as though the Child was Your newborn Child.

- Your Incapacitated Children.

Your Incapacitated Children means each Child (as defined above) who satisfies all of the following:

- Your Child is incapable of self-sustaining employment because of a mental or physical Injury or Illness.
- Your Child is so incapacitated before the Child reaches the age limit for a Qualified Dependent Child.

You must provide Prudential with satisfactory proof that Your Child satisfies the above conditions within 31 days of:

- (1) the covered Child's attainment of the age limit for a Qualified Dependent Child; or
- (2) the date You first become eligible for Coverage with respect to that Child over the age limit for a Qualified Dependent Child.

Prudential may request that You provide proof that Your Child continues to satisfy the above conditions, but not more frequently than annually following the two-year period after the Child's attainment of the age limit for a Qualified Dependent Child.

Failure to provide the proof required or requested above will cause Your Coverage with respect to that Child to end.

Exceptions:

Your Spouse, Domestic Partner, or Child is not Your Qualified Dependent while:

- on active duty in the armed forces of any country; or
- insured under the Group Contract as an Employee; or
- the Spouse, Domestic Partner, or Child has protection under any Employee Coverage of the Group Contract after the Spouse's, Domestic Partner's, or Child's insurance under that Coverage ends.

A Child will not be considered the Qualified Dependent of more than one Employee. If this would otherwise be the case, the Child will be considered the Qualified Dependent of the Employee named in a written agreement of all such Employees filed with the Contract Holder. If there is no written agreement, the Child will be considered the Qualified Dependent of:

- A) the Employee who became insured under the Group Contract with respect to the Child, while the

Child was a Qualified Dependent of only that Employee; and otherwise

- B) the Employee who has the longest continuous service with the Employer, based on the Contract Holder's records.

The rules for obtaining Dependents Insurance are in the When You Become Insured section.

When You Become Insured

FOR EMPLOYEE INSURANCE

Your Employee Insurance under the Coverage will begin the first day on which:

- A) You have enrolled, if the Coverage is Contributory; and
- B) Your billing period begins, as defined by Your Employer; and
- C) You are eligible for Employee Insurance; and
- D) You are in a Covered Class for that insurance; and
- E) Your insurance is not being delayed under the Delay of Effective Date section below; and
- F) that Coverage is part of the Group Contract.

For Contributory Insurance, You must enroll on a form approved by Prudential and agree to pay the required contributions. You may enroll for Contributory Insurance (1) within 31 days of when You could first be covered, (2) within 31 days of a Qualified Life Event, or (3) during the Annual Enrollment Period without evidence of insurability. Your Employer will tell You whether contributions are required and the amount of any contribution when You enroll.

At any time, the benefits for which You are insured are those for Your class, unless otherwise stated. The General Definitions section explains what "Annual Enrollment Period" and "Qualified Life Event" means.

FOR DEPENDENTS INSURANCE

Your Dependents Insurance under the Coverage for a person, whether Contributory or Non-contributory, will begin the first day on which all of these conditions are met:

- A) You have enrolled for Dependents Insurance under the Coverage, if the Coverage is Contributory; and
- B) The person is Your Qualified Dependent; and
- C) You are in a Covered Class for that insurance; and
- D) You are insured for the Employee Insurance under the Coverage; and
- E) Your insurance for that Qualified Dependent is not being delayed under the Delay of Effective Date section below; and
- F) Dependents Insurance under the Coverage is part of the Group Contract.

For Contributory Insurance, You must enroll Your Qualified Dependent on a form approved by Prudential and agree to pay the required contributions. You may enroll for Contributory Dependents Insurance (1) within 31 days of when You could first be covered, (2) within 31 days of a Qualified Life Event, or (3) during the Annual Enrollment Period without evidence of insurability. Your Employer will tell You whether contributions are required and the amount of any contribution when You enroll Your Qualified Dependent.

At any time, the Dependents Insurance benefits for which You are insured are those for Your class, unless otherwise stated.

The General Definitions section explains what “Annual Enrollment Period” and “Qualified Life Events” means.

Change in Family Status: It is important that You inform the Employer promptly when You first acquire a Qualified Dependent. You should also inform the Employer if Your Dependents Insurance status changes from one to another of these categories:

- A) No Qualified Dependents; or.
- B) Qualified Dependent Spouse or Domestic Partner only; or.
- C) Qualified Dependent Spouse or Domestic Partner and Children; or
- D) Qualified Dependent Children only.

If You are insured under the Coverage for one or more Children, You need not report additional Children.

Forms are available for reporting these changes.

Delay of Effective Date

FOR EMPLOYEE INSURANCE

Your Employee Insurance under the Coverage will be delayed if You do not meet the Active Work Requirement on the day Your insurance would otherwise begin. Instead, it will begin on the first day You meet the Active Work Requirement and the other requirements for the insurance. The same delay rule will apply to any increase in Your insurance that is subject to this section. If You do not meet the Active Work Requirement on the day that change would take effect, it will take effect on the first day You meet that requirement. This delay rule does not apply to any decreases in Your insurance.

FOR DEPENDENTS INSURANCE

A Qualified Dependent may be Confined for medical care or treatment, at home or elsewhere. If a Qualified Dependent is so Confined on the day that Your Dependents Insurance under the Coverage for that Qualified Dependent, or any change in that insurance that is subject to this section, would take effect, it will not then take effect. The insurance or change will take effect upon the Qualified Dependent's final medical release from all such Confinement. The other requirements for the insurance or change must also be met.

Newborn Child Exception: This section does not apply to a Child of Yours at that Child's birth if the Child is born to You and You enroll for Dependents Insurance for that Child as a Qualified Life Event.

Newborn Child Exception: Your newborn Dependent Children will automatically be covered for 31 days from their date of birth if You are insured. If You wish to continue coverage for Your Dependent Child, You must notify us on or before the end of the 31 day Qualified Life Event period and pay any additional Premium. If You already have coverage for Your Dependent Children, then all eligible Dependent Children will be covered, and You do not need to notify us or pay any additional Premium for the newly eligible Dependent Child.

When Your Insurance Ends

EMPLOYEE AND DEPENDENTS INSURANCE

Your Employee Insurance under the Coverage or Your Dependents Insurance under the Coverage will end on the first of these to occur:

- A) Your membership in the Covered Classes for the insurance ends because Your employment ends (see below) or for any other reason; or
- B) Your class is removed from the Covered Classes for the insurance; or
- C) The date the Group Contract providing the insurance ends; or
- D) You reach age 100; or
- E) You die.
- F) For Contributory Insurance under the Coverage, the end of the Grace Period, after You fail to pay, when due, any required contribution. But, if Employee Insurance is Contributory, failure to contribute for Dependents Insurance will not cause Your Employee Insurance to end; or
- G) The insurance is Dependents Insurance, and Your Employee Insurance under the Coverage ends; or
- H) That person ceases to be a Qualified Dependent for the Coverage. A Spouse or Domestic Partner will cease to be a Qualified Dependent at age 100. (See Continued Coverage for an Incapacitated Child below.)

End of Employment: For insurance purposes, Your employment will end when You are no longer a Full-time or Part-time Employee actively at work for the Employer. But, under the terms of the Group Contract, the Employer may consider You as still employed in the Covered Classes during certain types of absences from Full-time or Part-time work. This is subject to any time limits or other conditions stated in the Group Contract.

Your employment in the Covered Classes will not be considered to end while You are absent from work due to leave for which insurance is required to be continued under the Federal Family and Medical Leave Act of 1993 or a state law requiring similar continuation, as reported to Prudential by the Employer.

If You stop active Full-time or Part-time work for any reason, You should contact the Employer at once to determine what arrangements, if any, have been made to continue any of Your insurance.

Continued Coverage for an Incapacitated Child: This applies only to the Dependents Insurance You have for a Child under the Coverage. The insurance for the Child will not end on the date the age limit in the definition of Qualified Dependent is reached if both of these are true:

- (1) The Child is then mentally or physically incapable of earning a living. Prudential must receive proof of this within the next 31 days; and.

(2) The Child otherwise meets the definition of Qualified Dependent.

If these conditions are met, the age limit will not cause the Child to stop being a Qualified Dependent under that Coverage. This will apply as long as the Child remains so incapacitated.

Continuation of Coverage at Your Option:

Your Coverage becomes portable and You may elect to continue Coverage for You and Your Qualified Dependents if Coverage for You and Your Qualified Dependents under the Group Contract would have ended because:

- A) Your employment ended; or
- B) You are no longer a member of a Covered Class because Your work hours were reduced.

The Coverage that may be continued is that which You had on the date Your employment ended or Your work hours were reduced.

Prudential will mail to You a notice of Your right to continue the Coverage. The notice will state the amount of the payments required for the portable Coverage and the manner in which payments must be made.

If You want to continue the Coverage, Your first Premium payment must be sent to Prudential by the later of:

- A) 31 days after the Coverage would otherwise have ended; and
- B) 15 days after You receive the notice informing You of Your right to continue. But, in no event may election be made if You do not apply for continuation of Coverage and pay the first payment prior to 92 days after You cease to be covered for the Coverage.

If this is done, the portable Coverage will be continued from the date it would have ended until the first of these occurs:

- A) You reach age 100; or
- B) You die; or.
- C) You fail to make, when due, any payment required for the continued Coverage; or
- D) The insurance is Dependents Insurance, and Your Employee Insurance under the Coverage ends; or
- E) You become covered under any other group Accident plan.

Your Dependents Insurance for a Qualified Dependent under the continued Coverage will end on the first of these to occur:

- A) That person ceases to be a Qualified Dependent for the Coverage. A Spouse or Domestic Partner will cease to be a Qualified Dependent at age 100. A Dependent Child will cease to be a Qualified Dependent at age 26. (See Continued Coverage for an Incapacitated Child provision.); or
- B) You reach age 100.

While Accident Coverage is continued under this part, all other terms of the Group Contract apply, except:

- A) Your amount of insurance under the continued Coverage may not be increased; and
- B) The amount of insurance on each dependent under the continued Coverage may not be increased; and
- C) Once Coverage is being continued under this part, no other continuation provisions may apply, except for the Continued Coverage for an Incapacitated Child provision above.

EXTENSION OF BENEFITS

If a Covered Person is Confined on the date Your insurance ends and You do not continue insurance under the Continuation of Coverage at Your Option section, We will pay certain benefits for such Covered Person if the Confinement continues after Your insurance ends, in accordance with, and subject to all of the following:

- A) No benefits will be available under this Extension of Benefits provision if Your insurance ends due to non-payment of Premium; and
- B) The Accident - Hospital Admission Benefit, the Accident – Hospital Confinement Benefit, the Accident – Intensive Care Unit (ICU) Admission Benefit, the Accident - Intensive Care Unit (ICU) Confinement Benefit will be payable if requirements for payment of those benefits are met while the Covered Person is Confined. No other benefits will be payable; and
- C) Benefits payable under this Extension of Benefits provision will be paid in accordance with and subject to the terms and conditions of this Group Insurance Certificate, except as set forth in this provision; and
- D) Benefits under this Extension of Benefits provision will end on the earlier of:
 - the date the Covered Person is no longer Confined; or
 - the end of the number of days that Confinement Benefits are payable for the Confinement, not to exceed 365 days; and
- E) If the Covered Person is again Confined at any time after discharge, no further benefits will be payable.

Amount of Extended Benefit: This amount is determined as if You had remained a Covered Person under the Accident plan. But it is reduced by any amount payable under the Schedule of Benefits or any Prudential group insurance that replaces this Coverage for a class of Employees.

Effect of Continuation: Continued insurance under the Continuation of Coverage at Your Option provision will be in place of all rights under this Section. But if You have met the requirements of this Section, You can obtain these rights in exchange for all benefits of the continued insurance. Premiums paid under the continued insurance will be refunded.

CHANGE IN CLASS

If there is more than one class eligible for insurance under the Group Contract, and each class has its own certificate, instead of receiving a new certificate when You move between classes, You will remain insured under this Group Insurance Certificate if:

- You move to a class that is eligible for Accident Insurance under the Group Contract; and
- the benefits available to Your new class are identical to the benefits available under this Group Insurance Certificate.

In all other cases when You move between classes, Your insurance under this Group Insurance Certificate will end on the date You are no longer a Member of the class eligible for insurance under this Group Insurance Certificate.

General Information

A. CLAIM RULES.

These rules apply to payment of benefits under the Coverage.

Notice of Claim: Prudential must be given written notice that a claim will be made. The notice must be given to Prudential within 20 days after the date of loss. But failure to meet that limit will not make the claim invalid if the notice is given as soon as reasonably possible.

Claim Forms: Upon receipt of a notice of claim, Prudential will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this Group Insurance Certificate as to proof of loss upon submitting, within the time fixed in the Group Insurance Certificate for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Use a claim form, and follow the instructions on the form.

If You do not have a claim form, contact Your Employer, or You can request a claim form from us. If You do not receive the form within 15 days of Your request, send Prudential written proof of claim without waiting for the form.

Proof of Loss: Prudential must be given written proof of the loss including any requested documentation, such as a death certificate, an attending physician's statement or medical records for which claim is made under the Coverage. Proof of loss must be furnished within 90 days after the date of the loss. Failure to furnish proof of loss within the prescribed will not invalidate or reduce the claim if it was not reasonably possible to furnish the proof within the time and the proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, shall proof of loss be furnished later than one year from the time proof is otherwise required.

When Benefits are Paid: Prudential will pay benefits within 30 days after receiving satisfactory written proof of the loss including any requested documentation, such as an attending physician's statement or medical records.

To Whom Payable: Benefits are payable to You with these exceptions:

- A) Benefits for any of Your Losses that are unpaid at Your death or become payable on account of Your death will be paid to Your Beneficiary or Beneficiaries. (See Beneficiary Rules.)

If You and a Beneficiary die in the same event and it cannot be determined who died first, benefits will be payable as if that Beneficiary died before You.

- B) If You are not living, benefits for a dependent's Losses are payable to Your Spouse or Domestic Partner if Your Spouse or Domestic Partner is living.
- C) If neither You nor Your Spouse or Domestic Partner is living, then benefits for a Spouse's or Domestic Partner's Losses will be paid to Your Spouse's or Domestic Partner's estate.

- D) If neither You nor Your Spouse or Domestic Partner is living, then benefits for a Qualified Dependent Child's Losses will be paid to the Child who suffered the Loss. If that Qualified Dependent Child is not living, the benefits will be paid to the Child's estate.

Physical Exam: Prudential, at its own expense, has the right to examine the person for whom the claim is made. Prudential may do this when and as often as is reasonable while the claim is pending.

Legal Action: No action at law or in equity shall be brought to recover on the Group Contract until 60 days after the written proof described above is furnished. No such action shall be brought more than three years after the end of the time within which proof of claim is required.

B. INCONTESTABILITY OF INSURANCE TO WHICH THE CLAIM RULES APPLY.

This limits Prudential's use of a Covered Person's statements in contesting an amount of that insurance for which the Covered Person is insured. These are statements made to persuade

Prudential to effect an amount of that insurance. They will be considered to be made to the best of the Covered Person's knowledge and belief. These rules apply to each statement:

- A) It will not be used in a contest to avoid or reduce that amount of insurance unless:
- it is in a written instrument signed by the Covered Person; and
 - a copy of that instrument is or has been furnished to the Covered Person.
- B) It will not be used in the contest after that amount of insurance has been in force, before the contest, for at least two years during the Covered Person's lifetime.

C. LIMITS ON ASSIGNMENTS.

You may assign Your insurance under the Coverage on forms satisfactory to Prudential. Insurance under the Coverage may be assigned only as a gift assignment. Any rights, benefits or privileges that You have as an Employee may be assigned. This includes any right You have to continue Coverage under the Group Contract. Prudential will not decide if an assignment does what it is intended to do. Prudential will not be held to know that one has been made unless it or a copy is filed with Prudential through the Contract Holder.

D. PAYMENT OF PREMIUMS – GRACE PERIOD.

Premiums are to be paid by You to Prudential via payroll deduction or direct bill. Each Premium must be paid by the Premium Payment Date.

Premium Payment Date: The first Premium is due on the date You become insured under the Group Contract. Subsequent Premiums are due monthly. The Premium Payment Date for each subsequent Premium is the first day of each subsequent payment period.

Grace Period: You may pay each Premium other than the first within 31 days of the Premium Payment Date without being charged interest. Those days are known as the grace period. The Group Contract will remain in force during the Grace Period.

If You fail to pay any Premium required for an insurance of the Group Contract by the end of its grace period, Your insurance will end when the grace period ends. You are liable to pay Premiums for the time Your insurance is in force.

E. REINSTATEMENT.

If Your insurance ends because You did not pay any Premium by the end of its grace period, You may be eligible to reinstate the insurance subject to these rules:

- (1) You must request reinstatement within 180 days of the date of the first unpaid Premium;
- (2) You must pay all overdue Premiums.

If Prudential approves Your request, the reinstatement will be effective on the first day of the month following the approval date.

The Incontestability provisions will apply as of the date the reinstatement is effective.

This Group Contract underwritten by The Prudential Insurance Company of America provides insured benefits. For all purposes of this Group Contract, the Employer/Policyholder acts on its own behalf or as an agent of its employees. Under no circumstances will the Employer/Policyholder be deemed the agent of The Prudential Insurance Company of America, absent a written authorization of such status executed between the Employer/Policyholder and The Prudential Insurance Company of America. Nothing in these documents shall, of themselves, be deemed to be such written execution.

The Prudential Insurance Company of America as Claims Administrator has the sole discretion to interpret the terms of the Group Contract, to make factual findings, and to determine eligibility for benefits. The decision of the Claims Administrator shall not be overturned unless arbitrary and capricious.

Claim Procedures

1. Determination of Benefits

Prudential shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by Prudential will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from Prudential of your denial. The notice will be written in a manner calculated to be understood by you and shall include:

- (a) the specific reason(s) for the denial,
- (b) references to the specific plan provisions on which the benefit determination was based,
- (c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,
- (d) a description of Prudential's appeals procedures and applicable time limits, and

- (e) if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon request.

2. Appeals of Adverse Determination

If your claim for benefits is denied or if you do not receive a response to your claim within the appropriate time frame (in which case the claim for benefits is deemed to have been denied), you or your representative may appeal your denied claim in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by Prudential, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

Prudential shall make a determination on your claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If the claim on appeal is denied in whole or in part, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include:

- (a) the specific reason(s) for the adverse determination,
- (b) references to the specific plan provisions on which the determination was based,
- (c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,
- (d) a description of Prudential's review procedures and applicable time limits,
- (e) a statement that you have the right to obtain upon request and free of charge, a copy of internal rules or guidelines relied upon in making this determination, and
- (f) a statement describing any appeals procedures offered by the plan.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied or if you do not receive a response to your appeal within the appropriate time frame (in which case the appeal is deemed to have been denied), you or your representative may make a second, voluntary appeal of your denial in

writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

Prudential shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.
