## EXPLORE. Use this Guide to Help You Get Started

You can use this guide and other resources available to you on the [Benefits: Health and Welfare](#) page on Prism and the Benefits Summary Plan Description website at [benefits.leidos.com](https://benefits.leidos.com) for decision-making support.

## ENGAGE.

### Ask ALEX for Benefits Help

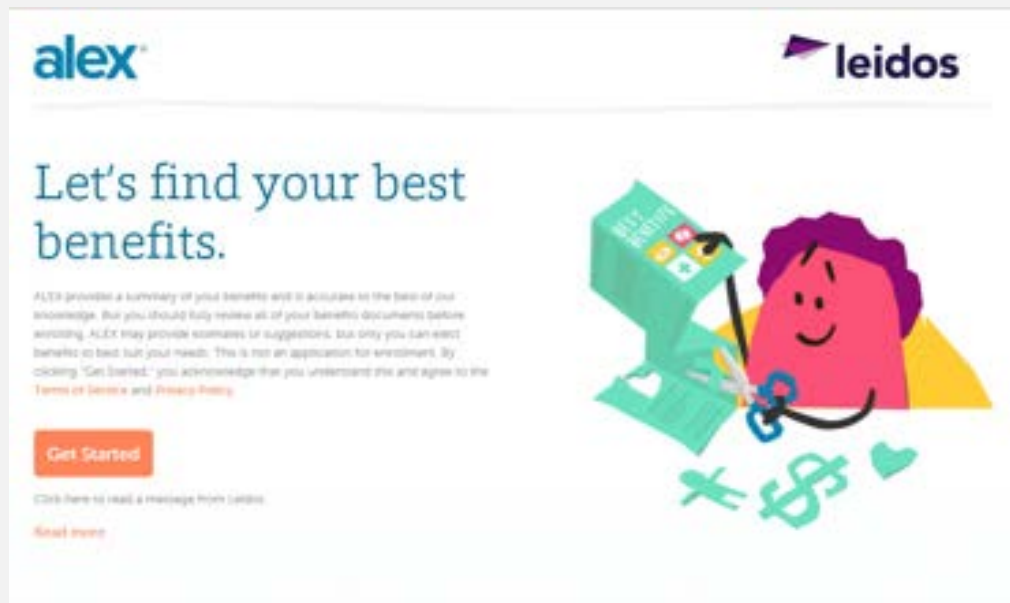

ALEX is a virtual benefits counselor that explains your benefit options and helps you choose the plan that's best for you and your family.

ALEX prompts you for some basic information about your personal situation, asks a few questions about how you anticipate using your healthcare (your answers remain anonymous, of course), and helps you figure out what to choose based on your responses.

Before you make your benefit elections in Workday, be sure to spend a few minutes with ALEX at [www.myalex.com/leidos/2026](https://www.myalex.com/leidos/2026) to make sure you're enrolling in a plan that's right for you and your family.

### If You Have Questions **ENROLL.**

Contact Employee Services for help with enrolling or benefit-related questions: 855-553-4367, option 3 or email: [AskHR@leidos.com](mailto:AskHR@leidos.com).

### Changing Your Benefits During the Year

IRS regulations require that, once enrolled, you may not change your benefit elections until the next Open Enrollment period – unless you experience a qualified life event. Experiencing a qualified life event allows a participant to make some changes to coverage within 31 days of the event.

You can enroll in 2026 benefits by accessing Workday through the link on Prism. (Note: You will need an activated token if accessing Prism remotely.) From Workday's homepage, locate and click the "Inbox" icon to find the Enrollment event and begin the enrollment process.

**Benefit Premiums** - By enrolling in Leidos-sponsored benefits, you understand and accept that your benefit elections may result in deductions from your paycheck. If you do not receive a paycheck for any reason (e.g., unpaid leave, FMLA, or other federally protected leave) or you receive a paycheck but there are insufficient funds available for payment of your benefit premiums for that period, any missed benefit premiums will be accrued in the payroll system for future deduction from your pay. Once you receive a paycheck with sufficient funds, the premium arrears will be deducted in addition to your usual biweekly or weekly benefit premiums. Please be advised that if premiums are in arrears for more than thirty (30) days, your coverage may be canceled at any time thereafter, retroactive to your last payment of premiums, unless prohibited by law.

# Eligibility

**If you are regularly scheduled to work at least 12 hours per week, you are eligible for Leidos benefits.**

- ▶ Full-time: 30–40 regularly scheduled hours per week.
- ▶ Part-time: 12–29 regularly scheduled hours per week.
- ▶ Consulting Employees will be eligible to enroll in medical coverage only. Coverage is 100% employee paid on a post-tax basis. Consulting Employees that enroll in a SmarterCare medical plan will not be eligible for a Leidos sponsored Health Savings Account (HSA).

Eligibility for certain medical and dental plans may be determined by your home ZIP code.

Refer to the Benefits Summary Plan Description website at <https://benefits.leidos.com> for more information.

## Double Coverage Is Not Allowed

You may not cover a spouse, registered domestic partner, or dependent child if that individual is also a Leidos employee and has elected his or her own coverage.

## Eligible Dependents

- ▶ Your legal spouse or domestic partner (if proof of registration with a state or local domestic partner registry is provided or if a Declaration of Domestic Partnership form is submitted, as well as proof of joint ownership).
- ▶ Dependent children up to age 26, regardless of student status.
- ▶ Unmarried children beyond the age of 26 who are incapable of self-support due to physical or mental disability.
  - Children include your natural child, legally adopted child, child placed with you for adoption, stepchild, child of your domestic partner, or any other child who depends on you for support and lives with you in a parent-child relationship and for whom you can provide proof of legal guardianship.

A complete description of Leidos eligible dependent guidelines is available on the Benefits Summary Plan Description website at <https://benefits.leidos.com>.

**To enroll a domestic partner**, you must provide proof to our Dependent Eligibility Verification (DEV) administrator, Alight, that your domestic partnership is registered with a state or local domestic partner registry, or you must complete a Declaration of Domestic Partnership and submit proof of joint ownership. For additional information, contact Employee Services at [AskHR@leidos.com](mailto:AskHR@leidos.com) or by phone at **855-553-4367**, option 3.

**Note:** *The law requires that you are taxed on contributions for medical and dental coverage for your domestic partner and the children of your domestic partner, unless those children are considered tax dependents. Also, to qualify for coverage under the life insurance programs, a domestic partner's child must reside with the participant and be born to or legally adopted by the domestic partner.*

## DEPENDENT ELIGIBILITY VERIFICATION (DEV)

The Dependent Eligibility Verification (DEV) program is administered by Alight. At the conclusion of the enrollment period, you will be asked to verify any dependents added to your benefits for the 2026 plan year. Alight will contact you by mail and you should be ready to provide the following documents:

- ▶ Proof of marital status:
  - If married within the past 12 months: a copy of the marriage certificate only.
  - If married for more than 12 months: redacted recent tax return; or a copy of the marriage certificate AND proof of financial partnership (bank statement, mortgage statement, etc.).
- ▶ Proof of domestic partnership: proof of registration with a state or local domestic partner registry, or Declaration of Domestic Partnership and proof of financial partnership document.
- ▶ Proof of parent/child relationship: birth certificate, recent hospital record, adoption paperwork, report of birth abroad, or legal guardianship document.

If you fail to submit the required documentation, or if the documents you submit are insufficient or incomplete, your dependent(s) will be removed from coverage.

## TAKE NOTE! SPOUSAL SURCHARGE

Leidos offers coverage to all spouses and domestic partners, but for those who have other medical coverage available to them, there will be an additional cost.

If your spouse/domestic partner has access to another employer's medical plan, you will pay an additional \$100 per month to cover him/her under the Leidos medical plan.

The spousal surcharge would not apply if your spouse/domestic partner is:

- ▶ Currently employed by Leidos.
- ▶ Enrolled in coverage through the Marketplace or a private plan.
- ▶ Not employed.
- ▶ Eligible for Medicare (but not another employer-sponsored medical plan).
- ▶ Not offered/eligible for medical coverage through their employer.

### Random DEV

*Please note that Alight also conducts a random DEV each year to ensure that a dependent's eligibility remains unchanged. If selected for the random verification, please complete the verification process even if your dependent was previously verified.*

### Spousal Surcharge Certification

*I certify that my spouse does not have employer-provided healthcare coverage available to him/her. I understand that if I knowingly and willfully submit false information to Leidos in order to obtain a spousal surcharge waiver, or fail to immediately notify Leidos that I am no longer eligible for a spousal surcharge waiver, I will be subject to disciplinary action, up to and including termination of employment, and I will be required to repay all surcharges that were waived.*

## Anthem BCBS

Leidos partners with Anthem Blue Cross Blue Shield (BCBS) as the administrator of our Consumer Directed Health Plans (CDHPs) and our Preferred Provider Organization (PPO) plan.

### HOW TO FIND AN IN-NETWORK PROVIDER

**Important Note  
About Medical

Dependents**

Leidos must report to the IRS the names and social security numbers of everyone covered by our company-sponsored medical plans. Therefore, if you are enrolling dependents in the medical plans, be sure to include their social security numbers.

### NETWORK DEFICIENCY ACCOMMODATION

If there is no in-network provider available near your home (within 25 miles), the Plan will cover an out-of-network provider at the in-network level. You must call Anthem to arrange for a network deficiency accommodation.

The out-of-network provider may send you a bill for the difference between their billed charges and Anthem's maximum allowed amount. You are not responsible for this amount. If this happens, please call Anthem so they can reprocess the claim.

**Disclaimer:**

If you elect to participate in one of our SmarterCare plans, your claims data and other personal health information (PHI) may be used in the administration of various medical, and other wellbeing programs

## OUT-OF-NETWORK CLAIMS

If you choose to see an out-of-network provider without a network deficiency accommodation, you could end up paying significantly more than you would with an in-network provider. Anthem only pays up to its maximum allowed amount and out-of-network providers can bill you for the difference between their billed charges and what Anthem covers, which is often a large gap.

Also, note that most doctor charges (except mental health and substance use disorder services), are reimbursed based on 150% of Medicare rates, which are typically much lower than the provider's billed amount. The doctor may bill you the difference. As a result, your out-of-pocket costs can be much higher. To avoid unexpected bills and to keep your expenses down, it's best to stay in-network whenever possible.

## ANTHEM PROVIDER RECOGNITIONS

Anthem recognizes providers who are committed to delivering better health outcomes. Be sure to review the provider directory to ensure your preferred providers are in-network.

## QUALITY PROVIDER DESIGNATIONS

Anthem recognizes providers who are committed to delivering better health outcomes. When you search for providers on the Anthem member portal, click on "Recognitions" to view any distinctions associated with that provider.

### ► Total Care

- Blue Distinction Center Plus (BDC+): These providers have met or exceeded national quality and efficiency standards of care delivery.

\*\*\*For non-emergent use of emergency room, member pays a \$300 copay, plus 50% coinsurance.

\*\*\*\*See page 8 for information on Blue Distinction Centers (BDC).

## SmarterCare CDHP Plans

The CDHP medical plans are self-funded by Leidos, which means that Leidos pays the plan's portion of all medical claims. The plans are administered by Anthem BCBS. They provide administrative services, including member services and medical claims processing.

You have three (3) Consumer Directed Health Plan (CDHP) options to choose from:

- ▶ SmarterCare Basic Plan
- ▶ SmarterCare Essential Plan
- ▶ SmarterCare Elite Plan

The plans provide:

- ▶ Flexibility to see any provider, but you'll pay lower costs when you receive in-network care.
- ▶ Prescription drug coverage, with greater savings when using generics and the mail order pharmacy.
- ▶ An HSA to help you pay for current eligible expenses with pre-tax dollars, as well as to save for future healthcare expenses.

## HOW THE SMARTERCARE CDHP MEDICAL PLANS WORK

- ▶ In-network preventive care, e.g., annual physicals, routine tests, and screenings, is covered at 100 percent.
- ▶ Other than in-network preventive care, you pay a certain amount out-of-pocket, before the plan begins to pay for care – that's your annual deductible. You have access to in-network discounts even before you meet your annual deductible.
- ▶ After you reach your annual deductible, the plan pays a percentage of the cost of most care. (You pay the remaining percentage, or co-insurance).
- ▶ Your out-of-pocket costs are limited to an out-of-pocket maximum – which is the most you may pay in one year.

## What to consider when selecting a plan

When choosing your medical coverage, you should carefully review and consider the following:

**Your annual premiums** - The annual premium you pay for medical coverage is divided evenly across the year, with a portion deducted from each paycheck on a pre-tax basis. It's important to note that plans with a lower deductible have a higher premium. Likewise, a plan with a higher deductible will have a lower premium.

**The plan design** - Review the plan's deductible, coinsurance and out-of-pocket maximum to ensure you understand how the medical plan works.

**Your estimated annual expenses for you and your covered dependents** - Review medical and prescription needs from the current year to assist you with predicting costs for the upcoming year. You should also consider the cost of any procedures you or your covered dependents anticipate for 2026.

As you evaluate the plan options, consider your premiums, deductibles, and out-of-pocket maximums together with Leidos contributions towards your Health Savings Account.

## Prescription Drugs

If you are enrolled in one of the SmarterCare CDHP medical plans, or the SmarterCare PPO Plan, you have access to prescription drug coverage administered by Capital Rx, a Judi Health company. Capital Rx manages your prescription benefits and works to improve prescription pricing and patient care to support long-term, positive change in the healthcare system.

### Paying for Prescription Drugs with the SmarterCare CDHP Plans

With a CDHP, you pay the full price of prescription drugs until you meet the deductible for generic, preferred brand and non-preferred brand medications. That's really important to understand, especially for you and your covered dependents managing serious conditions that are treated with costly medications. Refer to the chart below to see what you pay for prescriptions after you meet your deductible.

The medical plan deductible does not apply to certain preventive drugs, such as many medications to treat and prevent hypertension, high cholesterol, and asthma. Visit the SmarterCare CDHP Medical Plans page on the Benefit Summary Plan Description website <https://benefits.leidos.com> for more information.

Note that prescription copays and coinsurance do not count towards meeting your deductible.

## FILLING YOUR PRESCRIPTION DRUGS

You can fill your prescriptions at any in-network retail pharmacy. To find one near you, use the pharmacy locator search tool available on Leidos' dedicated [Capital Rx Website](#).

If you take a maintenance medication, you are required to fill it in a 90-day supply. This change helps reduce costs and ensures uninterrupted access to your ongoing prescriptions. You can fill 90-day supplies of your maintenance medication at any in-network retail pharmacy that supports them or through Costco Mail Order. If you continue to fill maintenance medications in less than a 90-day supply, starting with the third fill, you'll be responsible for paying the full cost of the medication. These costs will not count toward your deductible or out-of-pocket maximum.

You have access to both Costco Mail Order Pharmacy and Costco Specialty Pharmacy through Capital Rx. This means you can get your maintenance and specialty medications delivered right to your door, with personalized support to help you manage your health and save money. No Costco membership is needed to use these pharmacy services.

### Costco Mail Order

As part of your pharmacy benefits, Costco Mail Order through Capital Rx offers a convenient and cost-effective way to receive your maintenance medications.

With this service, you can:

- ▶ Have prescriptions delivered directly to your home – no need to visit a pharmacy
- ▶ Save money, especially when choosing generic medications
- ▶ Enjoy free standard shipping and professional pharmacy support

### Costco Specialty

If you manage complex or chronic health conditions, Costco Specialty provides personalized care and support. You'll receive free 2-day delivery of your medications once delivery has been scheduled, access to pharmacists and nurses for ongoing guidance, and help with insurance or prior authorizations.

You do not need a Costco membership to use Costco Mail Order or Costco Specialty pharmacy services. Both members and non-members can purchase prescription medications at Costco pharmacies, whether in-store or online.

## PREScription DRUG CLINICAL MANAGEMENT PROGRAMS FOR THE SMARTERCARE PLANS

### Prior Authorization

Prior Authorization is a feature of your prescription drug plan designed to ensure the safe, effective, and appropriate use of certain prescription drugs. These specific prescription drugs require your doctor to provide information for you to gain approval before the prescription drug is covered. This process helps make sure you receive the right prescription for your condition.

### Step Therapy

Step Therapy is an approach intended to control the costs of certain prescription drugs when lower cost drugs are available, such as a generic or lower-cost brand name. These drugs are proven to be safe and effective, as well as affordable. It begins by using the most cost-effective drug therapy for a medical condition first. If the initial medication does not work, your doctor can request approval for a more costly drug therapy.

### Quantity Limits

Quantity Limits help ensure prescription drugs are used safely and effectively. For certain prescription drugs, there may be a maximum amount that will be covered over a certain time period based on doctor recommendations, FDA guidelines and safety standards. This helps prevent taking too much of a medication and supports proper treatment.

## WAYS TO SAVE ON PRESCRIPTION DRUGS

- ▶ **Ask your doctor or pharmacist about generic versus brand name drugs.** Generic equivalent medications contain the same active ingredients and are subject to the same Federal Drug Administration (FDA) standards for quality, strength, and purity as their brand name counterparts. Choosing generic rather than brand name drugs can save you money.
- ▶ **Rx Smart Save** is a smart, easy-to-use program that helps you save money on prescription medications. It identifies safe, effective, and lower-cost alternatives that are covered by your plan. When a more affordable option is available, you'll receive a notification through the Capital Rx app or web portal. To take advantage of the savings, you'll need to talk to your provider about the alternative and get a new prescription.

# Health Savings Account (HSA)

An HSA is a great tax-advantaged opportunity. You can use the account to pay for qualified health expenses with tax-free dollars. The SmarterCare CDHP medical plans feature an HSA, designed to help you save for current and future medical expenses.

## WHO'S ELIGIBLE TO ENROLL IN AN HSA?

IRS guidelines dictate HSA eligibility. If you can answer YES to any of the below questions, you will still be eligible to enroll in a SmarterCare CDHP medical plan but NOT eligible to participate in an HSA.

1. Are you enrolled in Medicare or TRICARE?
2. For the plan year 2026, will you be enrolled in a medical plan or program in addition to the plan such as your spouse's/partner's HMO or traditional PPO plan or standard Healthcare FSA?

**Note:** If you're enrolled in an HSA, you can also enroll in a Limited Purpose FSA to cover eligible dental and vision expenses – but you cannot enroll in a standard Healthcare FSA.

## HOW THE SMARTERCARE CDHP PLANS AND THE HSA WORK TOGETHER

## Leidos May Also Contribute to your HSA

In addition to your pre-tax contributions, Leidos may contribute to your HSA. The amount Leidos will contribute is based on the plan you choose, your coverage level and your annual base salary. The company contribution to your HSA will be made in equal installments on a biweekly basis. To determine your company contribution, refer to the chart below:

Annual Base Salary	SmarterCare Basic Plan		SmarterCare Essential Plan		SmarterCare Elite Plan	
	Employee only	Employee + Spouse; Employee + Children; Family	Employee only	Employee + Spouse; Employee + Children; Family	Employee only	Employee + Spouse; Employee + Children; Family
\$85,000 or less	\$0	\$0	\$9.61	\$19.23	\$19.23	\$38.46
\$85,001-\$150,000	\$0	\$0	\$4.80	\$9.61	\$9.61	\$19.23
\$150,001 or greater	\$0	\$0	\$0	\$0	\$0	\$0

**Note:** In the event that salary and/or coverage level change during the year (e.g., Employee only to Employee + Spouse), the company's contribution will not change.

## WHAT YOU NEED TO KNOW ABOUT HSAs

- ▶ You must re-enroll every year to participate.
- ▶ You can make pre-tax contributions through payroll deductions. The IRS maximum contribution in 2026 is \$4,400 for employee only coverage, or \$8,750 for all other coverage levels. This annual limit includes any contributions made by Leidos through biweekly company contributions and/or incentives earned through participation in well-being activities. If you are older than age 55 at any point during 2026, you can make an additional \$1,000 contribution via Workday by choosing the HSA Bank with Catch Up Contribution plan or by sending payment directly to HSA Bank.
- ▶ You can make additional, post-tax contributions at any time during the year by sending a check to HSA Bank. Keep in mind that any post-tax contribution that you make applies to the annual IRS maximum.
- ▶ The funds in your account roll over from year to year and there is no limit to how much you can accumulate over time. You will never be taxed on this money (as long as it's used for qualified medical expenses); and once your balance reaches \$100, you can choose to invest it in a range of funds through HSA Bank. Remember, all investing is subject to risk; consult a financial advisor for assistance.

Please note that you can change the amount of your HSA contribution at any time during the plan year in Workday. No qualified status change is required for you to make a change. Changes made will go into effect the first of the following month. For more information on eligibility, qualified medical expenses and how an HSA works, go to <https://hsabank.com/QME> or [www.hsabank.com/Leidos](http://www.hsabank.com/Leidos).

## KAISER ARBITRATION AGREEMENT

Kaiser Hawaii and California plans are required to use binding arbitration to settle disputes related to or arising out of care delivery. The California Health and Safety code 1363.1, and Hawaii Case Law requires Kaiser Permanente to notify the employee of the use of arbitration at the point of enrollment, therefore, you will see a link to the arbitration agreement within the Workday Enrollment event. Note: If you do not agree to the arbitration language you should choose a different medical plan option.

By enrolling in a Kaiser Permanente Hawaii or California Plan, you understand that this action will serve as your agreement to the conditions provided in the Kaiser Foundation Health Plan Arbitration Agreement.

## HMSA

The HMSA medical plan is a Preferred Provider Organization (PPO) available to employees who reside in Hawaii. With HMSA, members have access to quality care from their choice of doctors and specialists and Hawaii's top hospitals. This plan offers flexibility in the way a member gets medical benefits (e.g. office visits, inpatient facility services, outpatient services, etc.). In general, to get the best benefits possible, a member should seek services from HMSA participating providers. If a member chooses to visit a non-participating provider, the out-of-pocket costs will be higher.

The chart below highlights some HMSA plan features:

## Triple-S Optimo Plus Medical Plan

Participants located in Puerto Rico are eligible to enroll in the Optimo Plus Medical Plan through Triple S.

### HOW THE OPTIMO PLUS PLAN WORKS

Employees covered under the Triple-S Optimo Plus Plan do not have to meet a deductible. However, participants must meet an annual out-of-pocket maximum of \$6,350 (Individual) or \$12,700 (Family). Once the out-of-pocket maximum is met, Triple S will pay 100% of the member's remaining covered health care expenses for the rest of the plan year.

Participants may access care within the Triple S provider network without a referral from a primary care physician.

For services rendered by non-participating providers in Puerto Rico, the member will pay the difference between the billed amount and Triple S established fees for participating providers. Services outside of Puerto Rico are covered through the Blue Cross & Blue Shield (BCBS) network and require preauthorization. Non-participating providers are covered only in case of emergency. Triple-S will pay these services per the fees established by the local BCBS plan for non-participating providers.

#### Triple S App

Be sure to download the [Mi Triple S App](#). The App provides access to an electronic copy of the ID card, directory of providers, as well as other services and programs available through the health plan.

# Dental

Good dental health is important to your overall health and well-being. Leidos offers you a choice when it comes to the type of dental plan that works best for you and your family. Depending on where you live, you may be able to choose the Delta Dental PPO Low option, Delta Dental PPO High Option, or a DMO administered by Aetna. All three plans provide coverage for:

- ▶ Preventive care and diagnostic services, such as exams, cleanings, and X-rays
- ▶ Basic restorative and major services, such as fillings, crowns, and dentures

See the below comparison chart for details on **in-network** coverage.

## Dental Plan Comparison Chart

Covered Services	Delta Dental PPO Low Option	Delta Dental PPO High Option	Aetna DMO*

Orthodontia Lifetime Max	Not covered	\$2,500 per Child/Adult	Member Copay: \$2,000

A complete description of the dental plan options is available on the Benefits Summary Plan Description website at <https://benefits.leidos.com>.

*\*If you intend to enroll in Aetna DMO, you must choose a primary dentist when you enroll.*

## DELTA DENTAL

Under the Delta Dental PPO Low and Delta Dental PPO High plans, you have access to both of Delta's PPO and Premier networks. Thus, you have a wider selection of in network dentists. However, note that you will generally have a higher out-of-pocket cost if you see a dentist in the Delta Dental Premier network. For more information and to find an in-network dentist, visit [deltadentalva.com/members/leidos](https://deltadentalva.com/members/leidos).

### Prevention First Program

Your preventive care and diagnostic services (typically X-rays, exams and cleanings) do not count against your Delta Dental annual benefits maximum. This means that the costs for preventive care are excluded from your annual allowance.

### Delta Dental's Special Health Care Needs Benefit

Members with special health care needs such as physical, developmental, mental, sensory, behavioral, cognitive, or emotional impairment or limiting condition that requires specialized services or programs may receive additional benefits:

- ▶ **Extra exam** benefit for additional consultations with the dentist to help the member understand what to expect prior to treatment
- ▶ **Up to four** dental cleanings per year
- ▶ **Treatment delivery modification including anesthesia** for patients with sensory sensitivities, behavioral challenges and severe anxiety

Visit <https://deltadentalva.com/special-health-care-needs-resources> for instructions on how to utilize this benefit.

## AETNA DMO

Employees and dependents who enroll in the DMO plan will have access to a limited network of providers and must choose a primary care dentist in order to have services covered. Each covered person may select his or her own primary care dentist. This primary care dentist will provide all routine dental care and will refer the participant to a network specialist whenever specialty care is needed.

If a participant receives dental care without going through his or her primary care dentist first, or if the participant's care is not authorized by the plan, the Aetna DMO will not pay any benefits. The participant will pay the full cost of any out-of-network or unauthorized care. Please note that limited out-of-network coverage is available in Connecticut, Illinois, Kentucky, Massachusetts and Ohio.

### Choosing a Primary Care Dentist

Employees and each dependent must select a primary care dentist from Aetna DMO's network of providers. Each member can change his or her primary care dentist at any time during the year. To select or change a primary care dentist, a member can call the Aetna Member Services number on the back of their ID card.

### Delta Dental ID Cards:

*Delta Dental will send ID cards to new subscribers or to those individuals who are changing plans (i.e., from the Low Plan to the High Plan or vice versa.) If you do not make any changes to your current plan enrollment, you will continue using your existing card.*

*Members can download a copy of their ID card from the member portal or request a new physical card by calling the Delta Dental Benefit Services Department at 800-237-6060.*

# Flexible Spending Accounts (FSAs)

Leidos offers the following FSAs through HSA Bank:

- ▶ Limited Purpose (LPFSA)
- ▶ Healthcare FSA
- ▶ Dependent (Daycare) FSA

## HOW THE FSAs WORK

- ▶ The FSA has an annual pre-tax contribution limit of:
  - \$3,400 for the Healthcare and Limited Purpose FSAs
  - \$3,750 for married couples filing separately or \$7,500 for single or married employees filing tax returns jointly for the Dependent (Daycare) FSA
- ▶ You decide how much to set aside for eligible healthcare or dependent care expenses for 2026.
- ▶ You must re-enroll every year to participate.
- ▶ Estimate carefully, because you can only change the amount you contribute to your FSA if you have a qualified change in family status during the year. Funds can only be used for 2026 expenses. Remaining balances in excess of the \$680 carry-over at the end of the plan year will be forfeited. You have until April 30, 2027, to file claims for 2026.
- ▶ Money is taken from your pay pre-tax, which lowers your taxable income. You'll never be taxed on the money you use for eligible expenses.
- ▶ You can have your FSA reimbursements deposited directly into your bank account.

HSA Bank administers the FSA for Leidos. To view your FSA information online, register at <https://myaccounts.hsabank.com>. You'll need to verify your employee status, confirm your contact and demographic information, and create a user name and password.

### Take Note! Carry-Over Feature

Don't forget you are able to carry over up to **\$680** of your unused Limited Purpose FSA or Healthcare FSA balance remaining at the end of the year into 2027. The carry-over feature helps you avoid losing unused money at the end of the year!

# Your Money

## Life Insurance

Leidos offers several types of financial protection for participants and their families, administered by Prudential, including Basic Life insurance, Group Universal Life Insurance (GUL), and Optional Dependent Life. Leidos also provides the following additional benefits: Basic Accidental Death & Dismemberment (AD&D) and Voluntary AD&D for you and your dependents, both of which are administered by New York Life, and Business Travel Accident (BTA) Insurance.

To learn more, visit the Benefits Summary Plan Description website at [benefits.leidos.com](https://benefits.leidos.com).

### BASIC LIFE INSURANCE

If you are eligible, you will automatically receive Basic Life insurance for yourself. The amount of your Basic Life insurance coverage is equal to one times your annual base salary with a minimum of \$50,000 and a maximum of \$1,000,000. Employees with a salary less than \$50,000 will receive a flat \$50,000 in coverage. Employees with a salary greater than \$50,000 annually, will receive 1x annual base salary or may choose a flat \$50,000 of coverage. Leidos pays the full cost of basic life.

Basic Life benefit amounts over \$50,000 are subject to income tax. The income tax amount added to your W-2 is calculated based on the value of the coverage amount over \$50,000 multiplied by the IRS' Group Term Life Insurance Premium Table included in Publication 15-B. This is called "imputed income."

When you attain age 70, coverage will be reduced by 35%.

Basic Life insurance includes dependent life in the amount of \$2,000 per eligible dependent.

### GROUP UNIVERSAL LIFE INSURANCE (GUL)

You can purchase GUL insurance for yourself – from one times to eight times annual base salary, up to a \$4 million maximum benefit.

GUL insurance provides benefits that go beyond term life insurance. GUL helps protect your family and builds a secure financial future. In addition to providing a life insurance benefit for your loved ones, it features a Cash Accumulation Fund (CAF) that allows you to earn interest on a tax-deferred basis.

You can:

- ▶ **Earn guaranteed interest.** The CAF has a guaranteed interest rate of 4 percent.
- ▶ **Keep it even after your employment with Leidos ends.** Insurance can continue under certain circumstances at the full coverage amount up to age 100, on a direct-billed basis.
- ▶ **Enjoy tax benefits.** Earnings and interest credited on contributions to the CAF are tax-deferred. The death benefit (typically the face amount of insurance plus the CAF) is generally income tax-free to beneficiaries.
- ▶ **Access funds easily.** You can take loans or make withdrawals from the CAF at any time and for any reason. You can also use the CAF to pay premiums or purchase fully paid up coverage.
- ▶ **Qualify for special benefits if you become disabled or terminally ill.** The Waiver of Premium provision for qualifying disabled employees and the Accelerated Benefit Option for terminally ill employees provide extra support when it's needed most.

#### **Did you know you can also make a payment directly to your CAF via personal check?**

To do so, contact Mercer, the CAF administrator, at 855-735-4873. You will be asked to verify your name, SSN, date of birth, plan number (52844) and the amount you would like to deposit via check.

### **GUL Evidence of Insurability (EOI):**

- ▶ If you are a new hire, you can enroll in coverage for yourself up to three times your annual base salary, not to exceed \$500,000, without having to provide EOI.

### **DEPENDENT LIFE INSURANCE**

If you are enrolled in GUL, you also have the option to purchase dependent life insurance for your eligible dependents. You pay the full cost for this coverage, post-tax.

You can purchase coverage for:

- ▶ Your spouse/domestic partner. Coverage options are \$10,000, \$25,000, \$50,000, \$100,000, \$150,000, \$200,000, \$250,000, or \$300,000.
- ▶ Your dependent child(ren). Coverage options are \$5,000, \$10,000 or \$25,000.

### **Evidence of Insurability (EOI):**

- ▶ If you are a new hire, you can elect up to \$25,000 in Spouse Life coverage, without satisfying EOI.
- ▶ EOI is not required for new enrollments for child life.

#### **Note:**

- ▶ You must be actively at work before any new or increased GUL will become effective.
- ▶ Your dependents must be non-home or hospital confined due to illness or injury before any new or increased Optional Dependent Life coverage will become effective.
- ▶ Coverage is not available to your spouse or domestic partner if they are also employed by Leidos.
- ▶ To qualify for coverage under the Leidos life insurance programs, a stepchild must reside with the participant.
- ▶ To qualify for coverage under the Leidos life insurance programs, a domestic partner's child must reside with the participant and be born to or legally adopted by the domestic partner.

Emergency Assistance for domestic or international travel must be coordinated through Crisis24 call (347) 708-1824.

### BASIC AD&D

Basic AD&D provides coverage to your beneficiary if you die as the result of an accident. If you are injured as the result of an accident, you will receive a percentage of your coverage based on your injury.

Eligible employees will automatically receive Basic AD&D coverage equal to one times your annual base salary, to a maximum of \$250,000, rounded to the next higher \$1,000. Leidos pays the full cost of Basic AD&D.

### VOLUNTARY AD&D

*The Cigna Healthcare Medical Benefits Abroad (MBA) plan provides coverage for unexpected injuries and illnesses that may occur, for **business travelers** on international trips, outside your country of residence or permanent assignment, with a calendar Year Medical Benefit Maximum of \$500,000 per employee. Leidos pays the full cost of the MBA program.*

## Disability Coverage

### SHORT-TERM DISABILITY (STD)

Short-Term Disability insurance provides income replacement if you are unable to work because of a medical condition, including pregnancy. The Leidos STD program is made up of 3 components that work together to replace a percentage of your pay in the event of disability:

1. Disability Sick Leave (DSL) - automatically provided by Leidos at no cost to employees.
2. Voluntary Short-Term Disability Insurance (VSDI) - elected and paid by employees.
3. State-Mandated Disability and Paid Medical Leave programs.

### Disability Sick Leave

DSL is a company-paid benefit, which provides employees with income replacement as part of an approved STD claim. Eligible employees are credited up to 10 days (80 hours) of DSL upon date of hire and on each employment anniversary (DSL is pro-rated for part-time employees). You may accrue up to a maximum of 1,560 hours (195 days) of DSL. DSL works in conjunction with VSDI and any state-mandated disability benefit to replace up to 100% of your pay.

*Note that if you do NOT elect VSDI or qualify for any state-mandated disability program, all disability payments will come from and will be limited to the amount of DSL hours you have accrued and may not support a long period of disability. If you elect VSDI, 20% of your total income replacement will come from your accrued DSL hours and the other 80% will come from VSDI, offset by any applicable state disability or paid medical leave payments. (See STD Payment Schedule on the next page).*

### Voluntary Short-Term Disability Insurance (VSDI)

Eligible employees may purchase additional disability coverage through VSDI. This plan coordinates with DSL and any state-mandated programs to replace up to 100% of your pay. VSDI can be important to purchase if you do not have a significant DSL balance. VSDI typically covers 80 percent of your monthly STD benefit.

### State-Mandated Disability and Paid Medical Leave Programs

If you are located in the following states, you may be eligible for state-mandated plans:

- ▶ California
- ▶ Colorado
- ▶ Commonwealth of Puerto Rico
- ▶ Connecticut
- ▶ Delaware
- ▶ Hawaii
- ▶ Maine (benefits begin 5/1/2026)
- ▶ Massachusetts
- ▶ Minnesota
- ▶ New Jersey
- ▶ New York
- ▶ Oregon
- ▶ Rhode Island
- ▶ Washington
- ▶ Washington D.C.

DSL and VSDI coordinate with state-mandated plans. This means that state plans pay first and DSL/VSDI pay the remainder of your disability benefits.

### STD PAYMENT SCHEDULE

The table below illustrates how VSDI integrates with DSL and state-mandated disability plans. Note that disability payments are paid through the 26th week of disability not to exceed 180 days. DSL and VSDI payments begin on:

- ▶ The first day of disability, if you are hospitalized on the first day and charged the full daily rate
- ▶ The eight calendar day of a disability if you are not hospitalized

Period of Disability	Total Pay (From All Sources)	VSDI (Integrated with state plan, if applicable)	DSL Portion
Week 1	0% (7-day waiting period)	0% (7-day waiting period)	0% (7-day waiting period)
Weeks 2 - 10	100% of regular weekly wages	80% (to a maximum weekly benefit of \$4,808)*	20%, as available
Weeks 11 - 19	80% of regular weekly wages	80% (to a maximum weekly benefit of \$3,846)*	20%, as available
Weeks 20 - 26*	66 2/3% of regular weekly wages	80% (to a maximum weekly benefit of \$3,202)*	20%, as available

\*Typically, VSDI covers 80% of the benefit and the remaining 20% is provided by DSL. If you do not enroll in VSDI, all benefits will be paid from your available DSL balance and your state's plan, if applicable.

**Note:** You must be actively-at-work on the effective date of coverage in order to be covered under the Leidos STD plan.

LONG-TERM DISABILITY

Voluntary Long-Term Disability (LTD) insurance is designed to provide you with income if you become disabled and cannot work for six consecutive months or longer. LTD is insured and administered by New York Life. If elected, LTD begins after you have been disabled for more than 26 weeks and approved by the insurance carrier. The benefit will pay up to 60 percent of your covered monthly annual base salary to a maximum monthly benefit of \$14,500.

The following chart depicts the maximum duration of LTD benefits:
