[1] For physician charges, out-of-network benefits are based on 150% of the Medicare reimbursement amount. Does not apply to Mental Health and Substance Use Disorder claims. If a Medicare reimbursement is not available, Anthem will calculate the claim payment based on rates paid in that specific region. For facility charges, benefits are based on Anthem's maximum allowed amount.

[2] The family deductible can be satisfied by any combination of family members but an individual would never satisfy more than their own individual amount.

[3] The family out-of-pocket maximum can be satisfied by any combination of family members but an individual would never satisfy more than their own individual amount.

[4] Prescription Drugs are administered by Judi Rx.
