Accident Insurance

SUMMARY OF BENEFITS

Leidos Inc.

Why is Accident Insurance important?

Life doesn't always go according to plan. When an accident happens, the last thing you want to worry about is the unexpected costs that can come with it. Accident Insurance helps provide added financial protection, so you can stay focused on recovery.

What does Accident Insurance cover?

Accident Insurance pays benefits directly to you when an accident occurs on or after the effective date of coverage. Examples of covered Accidents include, but are not limited to: burns, lacerations, concussions, fractures and dislocations. You may also receive additional benefits for treatment of covered accidents. **For example, if you were to experience an accident and fracture your wrist, you could receive the listed payments below to use as you choose**.

Accident-Related Benefit	Benefit (High Plan Example)
Hospital Admission	$1,500
Treatment in the ER (Emergency Care Benefit)	$200
X-Ray	$200
Injury Diagnosed-Fractures Wrist (closed)	$500
Follow Up Doctor's Visit	$100
