

If you move

If you move, notify Leidos of your new address by updating it in Workday.

If you move out of your **medical** and/or **dental** plan service plan area, you may enroll yourself and any covered dependents in another medical and/or dental plan offered in your area.

You must make qualified status changes within 31 days of your move.

Contact **Vanguard** or 800-523-1188 if you want to update your beneficiary's address information.
